ADDITIONAL INFORMATION:

Conduct:

All persons must respect other students' rights and conduct themselves in an appropriate manor. Since much of psychology includes personal information use of tape recorders must be approved by the instructor.

Attendance:

Students are expected to attend each class lecture as scheduled and remain present for the duration of the classroom session. Attendance is crucial and highly recommended, as it counts for 15% toward your final grade. Students missing more than 3 hours worth of class may be dropped. Any student arriving late more than 3 times will be marked with one absence. Allowances of absence may be made by the instructor on a "case-by-case" basis for special circumstances (i.e.: medical necessity, family/personal tragedy) provided the intent of the IVC attendance policies and the objectives of this course are adhered to. Should a student be absent from a test, proper notification to the instructor need be made via phone and email. Instructor must be contacted prior to missing an exam except in a documented emergency situation. It is the responsibility of the individual student to obtain class materials, handouts, and/or notes given during their absence. It is the responsibility of the individual student to complete and submit the required administrative forms for withdrawing from this course. No one is allowed to leave the room during tests (bathroom and cigarette breaks are prohibited while testing).

Classroom Disturbances:

Please turn off mechanical devices including cell phones, pagers, laptops, and iPods before coming to lecture. Students who do not comply will be asked to leave. This classroom is a GADGET FREE ZONE.

DSP&S Statement:

Any student with a documented disability who may need educational accommodation should notify the instructor or the Disabled Student Program Services (DSP&S) office at the Mel Wendrick Access Center as soon as possible.
