Class Rules

Attendance: You are allowed to miss three classes excused or unexcused during the semester. If you miss more than three classes, you will be dropped from the class. You need to be responsible in notifying me if you need to be absent more than the allowed times. You need to be present the entire class time to be counted as present. If you are absent, it is your responsibility to be ready for the next class. Being absent is **NOT** an excuse to no do class work or to not be ready for the next class.

Tardiness: It's important to be in class on time. Remember that three tardies count as one absence. If you leave before the class finishes, you will be counted as tardy.

Homework: When homework is given, it must be turned in at the beginning of class. Late homework will lose points, but it's better than zero points. Please have a classmate turn in your work if you are absent.
