Attendance

The IVC General Catalog states:

“Regular attendance in all classes is expected of all students enrolled. Instructors are expected to take a student's attendance record into account in computing grades. A student may be excluded from further attendance in a class during any semester when absences after the close of registration have exceeded the number of class hours which the class meets per week.”

Attendance is integral to class participation. Try not to be late as it is a distraction to the class. Participation is also important to class. Be prepared to contribute to class and keep up with all the readings that are assigned each week. In addition, avoid leaving early unless it is absolutely necessary (please see me at the beginning of class). You may have drinks in class (unless otherwise told) as long as you pick up your trash. **No food!**

Electronic Devices

In this class we will learn about technology as it relates to social work. However, in class we will use technology in a more traditional way. I-pods, gaming devices, or otherwise music/gaming devices are best left at home or out of sight. Acceptable electronic devices are cell phones (provided they are off or left on vibrate if needed) and computers (laptops, I-Pads, or tablets) as long as they are being used for the sole purpose of the class.

Academic Dishonesty

Imperial Valley College's regulations regarding cheating and plagiarism are clear:

“If cheating or plagiarism is discovered, while this behavior will not get you kicked out the class or expelled from college, you will fail that assignment and you will be reported to IVC's disciplinary officer”
