WASC has adopted a similar requirement.

Course Grading Based on Course Objectives

How much you learn in the course, as well as your final grade, depends on the effort you put into the readings and assignments. There are a total of 17 weeks with a total of 500 points available. Grades will be assigned on the basis of the following weights:

| POSSIBLE POINTS | | FINAL GRADES |
|-------------------------|------------|-------------------|
| Assignments | 100 points | 90 -100 % = A |
| Quizzes | 100 points | 80 - 89 % = B |
| Exams | 400 points | 70 - 79% = C |
| Total 600 points | | 60 - 69 % = D |
| | | Less than 60% = F |

Five points per day will be deducted for late assignments, quizzes and exams.

Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student’s status will be the same as that of any other student who desires to add a class. It is the student’s responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences.

Classroom Etiquette

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class unless otherwise directed by the instructor. Cell phones and electronic devices must be turned off and put away during class, with the exception of laptops or iPads for note taking purposes only. Cell phones ringing during class and all electronic devices not put away will be held by the instructor until the end of class. Students violating this policy during a class period will have 5 points deducted from their class. Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog.
- Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

- Plagiarism is to take and present as one’s own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to correctly ‘cite a source’, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment or using or attempting to use materials, or assisting others in using materials, or assisting others in using materials, which are prohibited or inappropriate in the context of the academic assignment in question.
