Text: Ehrlich/Schroeder: *Medical Terminology for Health Professions*, 7th Ed. 2013, Delmar Cengage Learning ISBN – 13: 978-111-54327-3

This course of study is designed to develop competency in the accurate use of medical vocabulary to include anatomy, physiology, diseases, and descriptive terms to prepare students for entry-level positions as medical transcribers, clinical editors, health insurance processors, patient administration specialists and anyone going into a nursing program.

Testing:

Every student is responsible for taking all examinations. THERE ARE NO MAKE UPS unless prior arrangements are made with the instructor.

Grading System:

A= 90%-100%

B= 80%-89%

C= 70%- 79% (minimal requirement to pass this class)

D= 60%- 69%

F= 59% > (below)

Attendance Policy:

Be on time! Class will be held every Wednesday – 6:30 pm – 9:40 pm in Room #2139

Students are required to attend all classes. Allowed 01 absence 2 or more absence will be grounds for being dropped. Leaving early is considered absent. Students tardy 2 times is considered an absence.

DO NOT RELY ON ANYONE ELSE; PROTECT YOUR RECORDS. I may not drop you for nonattendance. You are responsible for all classes for which you register. Do not assume you will be dropped for nonattendance. The failing grades you receive will not be changed because you quit attending.

Deadline to drop this course with a “W” is 11/09/13. DO NOT WAIT until this deadline to drop. Some fall on days when the College is closed. If you have problems, no one will be available to assist and exceptions will not be made because you did not drop on time.

Student Learning Outcomes:

The student learning outcomes for the class will be:

1. build many medical words from Greek and Latin prefixes, suffixes, word roots, and combining forms. (ILO1, ILO2)
2. define medical words by analyzing Greek and Latin parts. (ILO1, ILO2)

3. spell medical words correctly. (ILO1, ILO2)
4. recall acceptable medical abbreviations that represents phrases and terms. (ILO1, ILO2)

Classroom disturbances:

Please turn off cell phones and pagers before coming to class. If your job or family situation requires constant contact, use the vibrating device on your phone or pager. Students who do not comply will be asked to leave the room for the day.

Cheating policy:

Students caught cheating or attempting to cheat on exams will be given a zero for that exam. The student may also be referred to the Dean of Instruction for further discipline. Cheating includes, but is not limited to, looking at another student's papers, minimized cheat sheets, speaking out answers or questions, the use of open books or notes, finger spelling in sign language or by notes written on the skin.

Disabled Student Programs and Services (DSP&S) statement:

If applicable, any student with a documented disability who may need educational accommodations should notify their Instructor(s) and the Disabled Student Programs and Services (DSP&S) office as soon as possible. Otherwise, your examinations could be delayed.

Request for Accommodation of Disabilities at DSP&S
 Health Science Building, Room 2117
 760-355-6312
 TDD (760) 355-4174

Imperial Valley College does not discriminate in the admission nor in the offering of programs and activities because of ethnic group identification, national origin, age, gender, race, color, medical condition, Vietnam era status, ancestry, sexual orientation, marital status, or physical or mental disability, or because he or she is perceived to have one or more of those characteristics.

Standards and procedures may refer to the College Catalog or website.
