How much you learn in the course, as well as your final grade, depends on the effort you put into the readings and in class assignments, worth 20 points. Tests (100 pts) and quizzes (25 pts) may be given on Blackboard or in class at instructor's discretion. No makeup tests, quizzes or in class assignments will be given. There are a total of 625 points available. Grades will be assigned on the basis of the following weights:

POSSIBLE POINTS		FINAL GRADES
Assignments	100 points	90 -100 % = A
Quizzes	100 points	80 - 89 % = B

<u>Exams</u>	<u>400 points</u>	60 - 69 % = D
Total 625 points		Less than 60% = F

Five points per day will be deducted for late assignments, quizzes and exams.

Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student’s status will be the same as that of any other student who desires to add a class. It is the student’s responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences.

Classroom Etiquette

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class unless otherwise directed by the instructor. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed.
