### **Classroom Etiquette**

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class unless otherwise directed by the instructor. **Consider**: specifics for your class/program
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog.
- Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

### **Attendance**

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

You are expected to study and prepare the material assigned for each day in order to actively participate in class. You are expected to give your full attention during the class period. Talking during a lecture or discussion, reading or writing material not pertaining to this class, or sleeping will not be tolerated. If a student sleeps in class, he/she will be marked absent, and will not receive participation points for the day.

Your willing, voluntary and eager participation in all class activities (and this includes active listening and group work) will be appreciated and rewarded. Oral as well as written and group participation make up part of your final grade. Disruptive behavior or deliberate falsifications of information are bases for dismissal from class and/or from the college for the duration of the semester. Not speaking enough Spanish in class lowers your participation grade.

**The Student Activities MySpanishLab (Capítulos Preliminar B and 7-11)** should be kept **up to date** by every student. **The activities are due weekly on Sundays.**

Plan to study 1-2 hours or more a day on **your own**. It is important when learning a foreign language to practice listening, speaking, reading, and writing skills as much as you can outside of the classroom.

**HOMEWORK:** Submit homework on time. The homework will be assigned every class. **No late homework will be accepted** unless stapled with a valid medical excuse, within two days of your return. I may check or collect homework on any given day. Neither absence nor tardiness will be considered an excuse for missing assignments, incomplete work, or quizzes. **You are responsible for the work missed during your absence.**

**WRITTEN COMPOSITIONS:** You will write several written assignments throughout the course. Some of them will be done in-class, while others will be written outside the classroom. The topics for these written tasks will be assigned by the instructor.

**ORAL PRESENTATIONS:** You will prepare two oral presentations. You must be present the days of your presentations. The topics will be assigned **in class**. Presentations will be graded on content, preparation, creativity, vocabulary, fluency, pronunciation, and ability to communicate in the **target language**.

**FINAL ORAL EXAM:** On the week before the week of the final examination (June 8-12) you will present an oral examination. This is done in front of the instructor not in front of the class. The oral exam will be graded on the student's ability to communicate effectively in a conversational situation. The instructor will give more information regarding this exam.

**WRITTEN EXAMS (EXÁMENES) AND QUIZZES (PRUEBAS):** There will be **six chapter or lecciones** exams, one final examination and a number of quizzes (pruebas). In addition, expect quizzes (written or oral) on geography, grammar, homework assignments, and class discussions on history, vocabulary, and culture. There could be pop quizzes. **Please note that the quizzes and the exams are going to be given in the first hour, don't be late otherwise you will lose time.** There will be **NO MAKE-UP TESTS OR QUIZZES**. For reasons of fairness and the integrity of the class, there are **NO EXCEPTIONS**. The lowest scored chapter exam and quiz will be dropped at the end of the semester (If for any reason you miss a test or a quiz [illness, death in the family and etc.], consider this your lowest grade and I will be drop it/them). Last examinations will be held during the week of June (8-12). You must be present on this day, or you will automatically receive a zero. **NO EXCEPTIONS**. Make sure you plan on getting to class on time and always come prepared for a quiz.

Cheating and plagiarism can result in any one of a variety of sanctions. Such penalties may range from an adjusted grade on the particular exam, project, or assignment to a failing grade in the course at the discretion of the instructor subject to certain conditions. The
