Course Requirements and Instructional Methods

Students are expected to do the week's reading prior to class and complete the blanks on the Student Workbook.

A brief discussion over the assignment given and open forum questions from students.

Students are broken up in groups and given questions based on their homework. Students can use their workbook, or any material provided to help in the understanding of the assignment.

Students provide their answers to the classroom and answer questions other students might have.

Students are given a test on the assignment.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Course Grading Based on Course Objectives

In order to pass the course, students must pass the P.O.S.T. written exam, Arrest & Control practical exam, and Firearms practical exam. The Arrest & Control and Firearms practical exams will be graded on a pass/fail basis.

The letter grade will be based on a total of 500 points, as follows:

Quizzes: varying points per quiz = 160

P.O.S.T. Written Exam = 340 (85 actual points x 4)

A = 450-500 C = 350-399

B = 400-449 D = 0-349

F = failure of P.O.S.T. written exam, Arrest & Control practical exam, OR Firearms practical exam.

Quizzes will be given at the start of class or at the end and will last no more than 30 minutes. Students coming late will not be given extra time. Failure to take a quiz or exam will result in a zero for that quiz or exam unless prior approval is given by the instructor. Bring a No. 2 pencil to class on exam days.

You must communicate to your instructor any problems that you are having with the course.

Attendance

- **P.O.S.T.** regulations require that you attend 95% of the course hours. Therefore, you will be allowed to have one three-hour absence from class. On the second absence, you will be dropped from the class. Attendance will be taken at the start of class and after breaks. If you come in late, it is your responsibility to let the instructor know that you came in, or you may be marked absent for all or part of the class. You must attend every single hour of the unarmed self-defense and firearms portions of this course. There will be no exceptions to this policy.
- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

Classroom Etiquette

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class unless otherwise directed by the instructor.
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog.
- Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.
- Classroom Behavior: Any conduct that disrupts the learning process cannot be tolerated. Anyone engaging in such conduct will be asked to leave the classroom. Talking, whispering, loud yawning, and cell phones ringing during class are examples of disruptive behavior because such conduct is disrespectful and distracting to the instructor and to other students.

Academic Honesty

- Plagiarism is to take and present as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to correctly 'cite a source', you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment or using or attempting to use materials, or assisting others in using materials, or assisting others in using materials, which are prohibited or inappropriate in the context of the academic assignment in question.
- Cheating will not be tolerated: Anyone caught cheating will get a zero for the assignment or exam and may be dropped from the class with the grade of F.

Anyone caught cheating or will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General School Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment ;(c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment, (e) use of a commercial term paper service

Additional Help – Discretionary Section and Language

- Blackboard support center: <http://bbcrm.edusupportcenter.com/ics/support/default.asp?deptID=8543>
- Learning Labs: There are several ‘labs’ on campus to assist you through the use of computers, tutors, or a combination. Please consult your college map for the Math Lab, Reading & Writing Lab, and Learning Services (library). Please speak to the instructor about labs unique to your specific program
- Library Services: There is more to our library than just books. You have access to tutors in the learning center, study rooms for small groups, and online access to a wealth of resources.

Disabled Student Programs and Services (DSPS)

Any student with a documented disability who may need educational accommodations should notify the instructor or the Disabled Student Programs and Services (DSP&S) office as soon as possible. The DSP&S office is located in Building 2100, telephone 760-355-6313 if you feel you need to be evaluated for educational accommodations.

Student Counseling and Health Services

Students have counseling and health services available, provided by the pre-paid Student Health Fee. We now also have a fulltime mental health counselor. For information see <http://www.imperial.edu/students/student-health-center/>. The IVC Student Health Center is located in the Health Science building in Room 2109, telephone 760-355-6310.

Student Rights and Responsibilities
