If you are late to class, you will not be given extra time to take the exam. Bring a No. 2 Pencil and Scantron form to class on exam days.

You must communicate to your instructor any problems that you are having with the course.

ATTENDANCE: One of the institutional learning outcomes at IVC is personal responsibility. You will be expected to demonstrate personal responsibility by attending class, showing up on time, and not leaving early. You will be allowed two absences from class before the drop deadline. Do not assume you will be dropped for non-attendance. Missing more than half a class session will count as a full absence. *(It remains your responsibility to drop yourself from all courses that you no longer attend, or you risk getting a failing grade on your transcript.)* Refer to page 15 of your Fall 2014 on-line catalogue for “ATTENDANCE AND AUTOMATIC WITHDRAWALS”; **you** are RESPONSIBLE!

ACADEMIC ETHICS: Cheating is defined as copying answers from another student on an exam or assignment, allowing another student to copy answers from you, turning in work as your won that someone else did for you, working with another student on an assignment with the instructor’s express consent, or turning in a writing assignment that uses another’s words or ideas without crediting the source of the words or ideas.

PLAGIRISM will not be tolerated! If a student uses the words or ideas of another person without giving that person credit, the student is committing an act of plagiarism.

CHEATING WILL NOT BE TOLERATED! Anyone caught cheating will get a zero for the assignment or exam and may be dropped from the class with the grade of **“F”**.

PARTICIPATION: Every student is expected to participate in class discussion each week. This includes punctuality, contributions, personal opinions, group efforts if assigned and discussion of issues relating to the current assignment of the class. Newspaper article discussions on how local crime impacts our community, state and federal levels.

CLASSROOM BEHAVIOR: Any conduct that disrupts the learning process cannot be tolerated. Anyone engaging in such conduct will be asked to leave the classroom. Talking, whispering, loud yawning, and cell phones ringing during class are examples of disruptive behavior because such actions are disrespectful and distracting to the instructor and to other students. Respect your fellow students and instructors at all times.
TAKE ADVANTAGE OF THE LEARNING ENVIRONMENT WHILE IN CLASS!

NOTICE: Any student with a documented disability who may need educational accommodations should notify the instructor or the Disabled Student Programs and Services (DSP & S) Office as soon as possible. [SDP&S, Health Sciences Building 2100, Phone: (760) 355-6312]
