Course Requirements and Instructional Methods

Course Overview: A survey of the developments in art in painting, sculpture, architecture, and the minor arts from the Renaissance to contemporary times.

This is a course in visual art appreciation and history for the student with little or no knowledge of art history. The emphasis will be on the so-called plastic arts (painting, works on paper, and sculpture) as well as on architecture. We will cover the stylistic periods in art from before the Renaissance (about 1300 A.D.) to Modern art. The text and the bulk of the material in the class are presented in chronological order. The content is strongly based on the required textbook.

There are numerous discussions, quizzes, as well as Midterm and Final exams, and an opinion essay.

Out of Class Assignments: Students are responsible for reading the chapters in the textbook prior to lectures and for a 600-900 word opinion essay.

Course Grading Based on Course Objectives

Student’s final grades will be assessed according to the number of points earned through completion of assignments, exams, quizzes.

Midterm, Essay, and Final are each 30% of your grade. There is no extra credit in this course. Quizzes total 10%.

About the essay:

Students are required to complete a 600-900 word opinion essay, meeting specific requirements outlined in the assignment handout. It will be submitted to a plagiarism service on Blackboard.
