Attendance

- California Ed Code requires that I remove students from my roster by “dropping” them IF they never attended the course and are therefore a “no show”. Since this is an online course, I define you as a “no show” if you do not complete the Introduction Discussion Forum Assignment by the third day of this class. Since this is a short-term course, dates to drop, receive a refund, or receive a “W” are different than full term courses – they come and go very quickly! Please do not delay in dropping if that is your choice. Once you have completed the Introduction assignment it becomes YOUR RESPONSIBILITY to drop the course. Please drop the course via WebSTAR prior to the drop deadline. Do not assume I will do this for you.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences.
- Students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.

Online Classroom “Netiquette”

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word.
- Netiquette rules to remember: 1) Identify yourself, 2) Include a subject line, 3) Avoid sarcasm, 4) Respect others’ privacy, 5) Acknowledge and return messages promptly, 6) Copy with caution, 7) No spam or junk mail, 8) Be concise, 9) Use appropriate language, 10) Use appropriate emoticons (emotional icons) to help convey meaning, 11) Use appropriate intensifiers to help convey meaning – do not use ALL CAPS or excessing “!!!!”.

Academic Honesty

- Plagiarism is to take and present as one’s own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to correctly ‘cite a source’, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment or using or attempting to use materials, or assisting others in using materials, or assisting others in using materials, which are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General School Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment ;(c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment, (e) use of a commercial term paper service

There are four purchasing options on the site:

Paperback	\$146.95*	*This one gives you access to the eBook until your book arrives in the mail
Rental	from \$23.49	
eBook	from \$43.99	
eChapter	\$4.49 each chapter	

If you plan on taking part two of this class (CIS121) in the fall (which I hope you do!) then I would recommend getting the whole book, because we complete the second half of the book in that class. If you are only planning on taking this course, then you will need to at least purchase chapters A, B, C, D, I, and K, which would be around \$27 electronically (6 chapters X 4.49 per eChapter).
