### Course Requirements and Instructional Methods

Aplia: Students will work out of class on the Aplia Software program that will emphasize growth in grammar and language abilities.

Homework: Homework will be turned in via Blackboard. We will utilize both the forum and assignment functions.

Drafts: Because we will do multiple drafts of out-of-class paragraphs, students must staple the most recent version atop the old draft(s). On dates in which a draft is due, students must bring two (2) copies of the draft. If a student is absent, he or she will need to email the draft before the class starting time in order to receive credit. Final drafts **MUST** be submitted via Blackboard. **ALL STUDENTS MUST SEE A TUTOR FOR THE FINAL RESEARCH PAPER!**

**ALL DRAFTS MUST BE TYPED.** Zero credit will be given for hand-written drafts.

**-Proper format**: Paragraphs should be double-spaced, Times New Roman, 12 point font. In the top left corner of page 1, please use the following heading style on all drafts:

Name

Professor Elliott

ENG 09

Date draft is due

Final Exam The final exam will consist of the Common Assessment Essay, as administered by all of the English 9 sections at IVC. This will be an argumentative in-class essay that will demonstrate that the student is ready to enter English 110 as the next composition class. Therefore, the essay must show solid development of ideas with a strong thesis statement, topic sentences, and organized text. Details must be strong and specific. The text must be written in correctly formed sentences with virtually no sentence-level or grammar errors. Strong command of diction, verb usage, and standard English is required to pass.

If you pass the final, you will receive 200 points.  
 If you do not pass the final, you will receive 0 points.

**Out of Class Assignments:** The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement. This means that this 4 unit class requires 8 hours of work/week outside of class.

Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

### Classroom Etiquette

- **Electronic Devices:** Cell phones and electronic devices must be turned off and put away during class unless otherwise directed by the instructor.
- **Food and Drink** are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed.
