#### Textbooks & Other Resources or Links

*Required Text:* Grammar & Composition for ESL Level 4, by Amy Cooper and Samuela Didier; Student Book—ISBN-13:978-1-30-575762-2 and online workbook access code  
*Suggested Resources:* Thesaurus, Dictionary

#### Course Requirements and Instructional Methods

Homework/Written Assignments: Please write your name, date, class code, and page number to identify your homework. Homework is due at the beginning of the class. **I will not accept homework that does not have the class code and page number written on it.** Chatting, repeated exits from the classroom, sleeping, and doing other homework, etc. do not show good participation and are disruptive to the class. ☹ ☹

Online Workbook: You will need access to a computer in order to complete this work. I will assign all lab work from the *online workbook*. The access code is bundled with the textbook. This is an online grammar course in connection with the textbook, Grammar Explorer 3. There will be assignments, exercises, and quizzes online.

Quizzes:/Written Assignments: You will have announced and unannounced quizzes each week. Your written assignments from the units will be in academic paragraph, letter, and web page form. For our class, an academic paragraph should be between 6-10 sentences. Your written assignments will include the *Connect the Grammar to Writing* section of the chapter. You will be graded on grammar, content and format.

Chapter Tests: Each test will have two sections. You will be tested on the grammar structures of each chapter, and you will write a paragraph using those grammar structures.

**Final Exam:** Final exams will be given on the first class meeting during finals week, and the final will be conducted in the same classroom where the class meets during the semester. If an instructor feels that more than one hour is needed to complete the final, he/she can opt to have students meet for a second time during finals week.

There will be no late or make up exams, homework, quizzes, etc. unless you have spoken to me before the due date or testing date.

**Out of Class Assignments:** The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

### Course Grading Based on Course Objectives

TASK	PERCENTAGE OF GRADE
1. Homework	10%
2. Online Workbook	10%
3. Quizzes/Connect the Grammar to Writing/Written Assignments	20%
4. Chapter Tests	30%
5. Final Exam	30%
90 + = A    80 - 89 = B    70 - 79 = C    60 - 69 = D    59 - = F	100%

### Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

### Classroom Etiquette

- **Electronic Devices:** Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor.
- **Food and Drink** are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- **Disruptive Students:** Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the [General Catalog](#).
- **Children in the classroom:** Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

### Academic Honesty

#### Bad, Bad, Bad!!! Do I have to say it!

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- **Plagiarism** is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- **Cheating** is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.
