Course Requirements and Instructional Methods

Regular attendance and preparation are required as many in-class activities are based on the reading, writing and thinking you do before you arrive. I will evaluate your reading and preparation by collecting and grading selected assignments and giving quizzes. Class time may be spent listening to brief lectures, taking notes, reading, thinking, writing, dialoguing, and collaborating on group tasks. If you are absent for a class meeting, you cannot make up the work completed in class.

You are responsible for submitting assignments before the deadline. Aside from documented emergency situations, I will not grade late assignments. If I do accept your paper one class period late due to an emergency, you will receive partial credit (-10%). If you are absent on the day of a quiz (one quiz only), you will be allowed a make-up.

The final exam for this course is a common final. It is an in-class essay that should demonstrate your mastery of the targeted writing skills.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement. This means that this 4 unit class requires 8 hours of work/week outside of class.

Course Grading Based on Course Objectives

A final grade will be based on your weighted average in the following categories:

Online Homework (Aplia©)	10%
In-class assignments and quizzes	20%
Major Writing Assignments	40%
Final Exam *Departmental Final	30%

90-100% = A; 80-89%=B; 70-79%=C; 60-69%=D; 0-59%=F.

Attendance

- A student who fails to attend the first meeting of a class or who not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

Classroom Etiquette

- **Electronic Devices:** Cell phones and electronic devices must be turned off and put away during class unless otherwise directed by the instructor.
- **Food and Drink** are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed.
- **Disruptive Students:** Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog.
- **Children in the classroom:** Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

Academic Honesty

- **Plagiarism** is to take and present as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to correctly 'cite a source', you must ask for help.
- **Cheating** is defined as fraud, deceit, or dishonesty in an academic assignment or using or attempting to use materials, or assisting others in using materials, or assisting others in using materials, which are prohibited or inappropriate in the context of the academic assignment in question.
- Note: Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General School Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment ;(c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment, (e) use of a commercial term paper service
