Course Description

The major events of United States history from 1877 to the present will be studied. This examination will include the social, political, economic, racial, gender, cultural and intellectual changes that have occurred, and their relevance to current events. Of special note will be an examination of America's rise to global power.

Student Learning Outcomes

Upon course, the successful student will have acquired new skills, knowledge, and/or attitudes as demonstrated by being able to: (1) identify and recall key information from a historical text and/or a documentary film; (2) describe the causes and/or impact of a historical event; and (3) explain and analyze the key information contained in a primary source document.

Course Objectives

Upon satisfactory completion of the course, students will be able to: Identify the major events and key intellectual, cultural, social, political and economic trends in United States history from the post-Reconstruction period to the late 20th century, and identify and understand the significance of important personalities and ideas in United States history after 1877.

Textbooks & Other Resources or Links

Required: *US History* Go to <https://openstaxcollege.org/students> to access the text. There is no cost to you!

Additional readings or articles may be presented or assigned by me as deemed relevant.

Course Requirements and Instructional Methods

Exams: There will be four tests, a Midterm exam and the Final exam. All tests will be based on the text, any additional readings, lectures (which includes Power Point presentations), and videos. Only one make-up exam will be given to a student during the semester, and must be scheduled with me. Make-up exams may be used only if the original exam was not taken at the scheduled time due to illness or verified family or work emergency, and I am notified before the test. Any make-up exams scheduled for more than a week after the original test date face a point reduction of 25%. I will not approve any make-up test scheduled later than two weeks after the original test date. There is NO make-up available for the Final exam!

Writing Requirement: Students will be required to complete four written assignments. Information on these assignments will be presented by me.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Course Grading Based on Course Objectives

Grading: The course maximum is 1000 points, based on the following:

Discussion/participation	160 points
Exams (four @ 50 points each)	150 points
Midterm exam	150 points
Assignments (four @ 60 points each)	240 points
Final exam	300 points

Grading will be based on total points, as follows:

A = 901 – 1000	C = 701 – 800.5	F = 0 – 600.5
B = 801 -- 900.5	D = 601 – 700.5	

Discussion points will be deducted when a student is late (1 point each time), and/or when a student disrupts the class by talking during the lecture or videos, plays games or text messages on a cell phone or computer, has a cell phone ring during class, etc. (1/2 point each time). Points can only be earned by a student who asks questions and/or participates in classroom discussions. Points are not earned simply for attendance.

I reserve the right to have students complete additional work in class. Any such work will have points added to what is shown above. I do NOT offer extra credit work.

Letter grades will not be included on tests and assignments. They will only be used for the final course grade.

Attendance

A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.

Attendance is strongly encouraged, especially since History courses usually take a chronological approach. Therefore, absences can leave gaps that cannot easily be filled. While participation in classroom discussions is not mandatory, it is strongly encouraged and can affect your final grade. At all times, your questions are encouraged and welcomed.

Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.

Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences.

Classroom Etiquette

PLEASE MAKE SURE THAT CELL PHONES AND/OR PAGERS ARE TURNED OFF DURING CLASS. Any student whose cell phone and/or pager disrupts the class will be asked to leave the room and handle the call. Any device that interrupts an exam will be confiscated and held until the end of the class (NOT when the student has completed the exam). Multiple violations will result in the student being asked to leave the class, and not return until discussing the matter with me.

Food and drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs.

Students who practice inappropriate behavior will likely be asked to leave the classroom. That includes talking during videos and/or lectures. Such disruptive behavior can also result in points being deducted from those available for Discussion/Participation. Continued practice of inappropriate behavior means the student will need to meet with the Campus Disciplinary Officer before returning to continue with the coursework. Disciplinary procedures will be followed as outlined in the [General Catalog](#). Students who engage in disruptive behavior or leave the room while class is in session will have points deducted from the total possible for Discussion/Participation (see the section on Grading). Make sure you handle all personal needs (restrooms, food, phone calls, etc.) before class begins.

Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another’s work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is to take and present as one’s own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to correctly ‘cite a source’, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment or using or attempting to use materials, or assisting others in using materials, or assisting others in using materials, which are prohibited

or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and I may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in a drop to the next lower letter grade, or an F in the course, and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.
