Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

### Course Grading Based on Course Objectives

How much you learn in the course, as well as your final grade, depends on the effort you put into the readings and in class assignments, worth 20 points. Tests (100 pts) and Final (200 pts) may be given on Blackboard or in class at instructor's discretion. No makeup tests or in class assignments will be given, unless there are extenuating circumstances at which point the student will provide proof of such. There are a total of 1190 points available. Grades will be assigned on the basis of the following weights:

POSSIBLE POINTS		FINAL GRADES
Assignments	340 points	90 -100 % = A
Term Paper	150	80 - 89 % = B
Exams	500 points	70 - 79% = C
Final Exam	200 points	60 - 69 % = D
<b>Total 1190 points</b>		Less than 60% = F

Penalty points per day will be deducted for late assignments and exams. A penalty assessment of 10 points for exams and 5 points for assignments will be assessed per day. Some class assignments will be **IN CLASS ASSIGNMENTS**, so there are no make ups. Students who are not present for preparation and presentation of the assignment will receive ½ credit of the possible points upon completion of the assignment.

### Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped. Attendance is a portion of your grade under Participation noted above. 3 points will be deducted for each missed day from class from your participation score and 2 points will be deducted for coming to class late or leaving early.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

### Classroom Etiquette

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class unless otherwise directed by the instructor. Cell phones and electronic devices must be turned off and put away during class, with the exception of laptops or iPads for note taking purposes only. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed.
