## Course Requirements and Instructional Methods

Self-Directed Practice Lab: Students will utilize in-class practice time to reinforce classroom lessons and advance to new material at their own pace. Students will track their lab attendance and progress by submitting a practice journal entry to the instructor at each class meeting.

Written Quizzes: Students will demonstrate comprehension of music theory through periodic written quizzes. See attached schedule for quiz dates.

Playing Assessments: Approximately every other week students will perform technical assignments for a grade

Midterm and Final Performances: Students will perform selected repertoire to demonstrate their growth over the semester. Specific individual assignments will be made upon student assessment.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

## Course Grading Based on Course Objectives

Self-Directed Practice Lab	15%
Written Quizzes (3 total)	30%
Playing Assessments (3 total)	30%
Midterm and Final Performances	25%

## Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.

- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences.
- MUS 140 SPECIFIC REQUIREMENT: You are responsible for all work assigned. Absence, under any circumstance, does not exempt your responsibility to complete all assigned coursework and proctored exams. If absent for any reason, you are solely responsible for acquiring assigned homework, or scheduling make-up quizzes or exams\* Please note make-up quizzes and exams are provided at the discretion of the instructor and intended for emergency situations only.

### Classroom Etiquette

Simply put, if it is related to class this class and not a distraction to you or others, it's OK.  
NOTE: If at any time your usage is deemed a distraction or found to be used for personal reasons you will lose the privilege of accessing your device during class.
- Food and Drink are prohibited in all classrooms. **THIS IS EXTREMELY IMPORTANT.** Musical equipment, whether acoustic or digital must be protected from moisture and debris. Exception: Water bottles with lids/caps are allowed at the desks during class or on stage during rehearsals and performances. On occasion a reception with snacks will be allowed in designated areas only (lecture desks or stage, NEVER at a DAW)

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- **Plagiarism** is taking and presenting as one's own the writings or ideas of others, without citing the source. Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.
