### Course Requirements and Instructional Methods

**Out of Class Assignments:** The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement. Since this is a four unit class (four credit hours), this means that you should expect to do about eight hours of our of class work every week.

**Instructor Expectations:**

1. Students who are absent the first day of class are automatically dropped from the course.
2. If you stop attending class make sure you drop yourself from the course.
3. Work is to be turned in on due date.
4. You are responsible for knowing due dates for all assignments.

**In Class Activities:** In addition to the essays you will be writing for this class, there are a number of other in class assignments that will factor into you final grade.

**Essays:** The essays will be the main form of assessment for the class. There will be two assignments for each essay. One will be for the first draft, and the other will be for the final draft. You will be participating in peer reviews with your first draft. To receive credit on a final draft, you must submit a hard copy of your first draft along with the rubric, peer review, and final draft.

**Discussion Forum/Blog:**

1. You will also be required to participate in Canvas discussions.
2. Make sure to answer all questions in the prompt.
3. In your response be sure to use academic language, paragraph structure, sentence structure, and grammar.

**Online Homework-**Students are expected to complete homework assigned through Canvas on the due date.

**Course Grading Based on Course Objectives**

**Essays: 400**

**Discussions/Homework: 300**

**Midterm: 50**

**Final: 100**

**Participation: 150**

**Essay grading policy**

1. Papers are graded on a percent of a 100.
2. Grades reflect the overall quality of the work turned in, how complete the work is and whether the instructions from the assignment were properly followed.
3. A rubric will used to grade each essay.

**Late assignments will not be accepted.**

**\*There may be an opportunity for extra-credit, I will let you know sometime during the semester.**

**Attendance**

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.
