### **Textbooks & Other Resources or Links**

*Q: Skills for Success, listening and speaking, level three, second edition, Oxford University Press, ISBN-9780194819046, Notebook with notebook paper. English/English dictionary (Longman recommended.)*

### **Course Requirements and Instructional Methods**

*In this class, you will take four unit tests. You will also need to give one formal oral presentation at the end of the semester. In addition, you will be required to do homework activities in the text and be prepared to review them in class. Each unit requires group discussions that will allow you to practice your English. Furthermore, each unit has two groups of vocabulary words you will need to understand as well as grammar, pronunciation, and listening sections. You will also be given dictations for each of the two listening sections per unit.*

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

### **Course Grading Based on Course Objectives**

*Your grade will be based on a point system. You will receive points for unit exams, a formal presentation, the final examination, and class participation. The first three unit exams are 62% of your grade, the oral presentation is 10%, class participation is 10%, and the final examination is 18%. If you want to receive a high grade in this class, you must take and pass all exams, give and pass one formal presentation, and actively participate in class. You must be in class to actively participate. Therefore, if you come late to class, take longer than necessary breaks, leave early, or are absent frequently, you will not receive participation points. Also, you must pay attention in class and attempt to speak English in order to receive participation points. Unit exams are typically forty points. Thus, 36-40 points is an A grade. 32-35 point is a B grade. 28-31 points is a C grade. 24-27 is a D grade, and under 24 points is an F grade. You may make up only ONE test. You must make up a test within one week of missing it. Also, homework can be turned in one class session late. If you are absent on the day homework is due, it is still late. You cannot give me homework two class sessions late. Please remember this policy. Late homework will lose points, so try not to turn homework in late.*

### **Attendance**

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class.

Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.

- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

### Classroom Etiquette

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class unless otherwise directed by the instructor. The first time I see a student using technology of any kind in the classroom, I will ask him/ her to put it away. The second time, I will take the device from the student for the class period. If you are using technology in class, you are not participating and will lose participation points.
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the [General Catalog](#).
- Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.
- When I am playing the book's CD, there should be no talking. Students must be able to listen carefully to the CD in order to improve their listening comprehension skills. Also, when students are participating in group discussions, they must speak quietly because many students will be talking at the same time.
- When I am in front of the classroom teaching, there should be no unnecessary talking. Do not socialize in class. If you have a question, you may ask me one, but do not socialize with your classmates.
- Do not leave the classroom unless it is absolutely necessary. It is a distraction to me and your classmates when you leave and come back to the classroom. Leave the classroom for emergencies only.
