How to register and buying the textbook:

If you miss the first day of class or you are adding the class, it is your responsibility to register in MySpanishlab. Therefore, you must watch the video in Lessons. It will guide you on how to register in MySpanishlab. It's important to pay attention on how to register in MySpanishlab via Canvas since the only way to buy the textbook is at the bookstore (hard copy and access code to register in Canvas) Warning! Don't buy the textbook somewhere else because this textbook is connected to Canvas and any other textbook is not compatible with Canvas. I do not recommend you to purchase the 14 days trial because if you miss quizzes, activities, or test you will receive a zero for those assignments. Warning! Do not buy the textbook somewhere else because this textbook is connected to Canvas and any other textbook is not compatible with Canvas.

After registering in MySpanishlab, you must complete steps 1-4 for the tune-up for any update on the software that the system may need. More details will be given on the first day of class.

Course Requirements and Instructional Methods

How to contact me:

The easy way to reach me is by email.

If you email me, please put "Spanish 200 online" in the subject line of the email. Don't forget to put your name inside the email, especially since many of your email addresses do not identify who you are. If you would like to talk with me over the phone, please make sure to speak slowly, loudly, and clearly when you leave a message, and make sure you give me your name and phone number so I can call you back.

Online and In-Class Requirements:

Students must...

- Possess reliable access to computing resources. Have the minimum hardware, software, and browse;
- Understand basic personal computer operations. Students should be familiar with Microsoft Word and Canvas.
- Be familiar with the Internet. Know how to browse, search, and download;
- Read for information effectively and follow instructions.
- Actively and persistently communicate with the instructor.
- Be willing and able to make weekly progress on the course work.
- Be prepared to spend an adequate amount of time to complete the work for the term.
- Your computer must have an integrated microphone in order for you to complete all the oral tasks.

- Reading assignments in the Lecture Materials list, including links to other resources.
- Participation in the online discussions and collaborative project on a regular basis. If you do not participate for two consecutive weeks and I do not hear from you or you do not attend class for two weeks, I will assume you are not an active student and you will be dropped.
- Completing all homework and projects by the due dates (usually by Saturday midnight for the week in which task was assigned). Late work is not accepted.
- Using the class web pages will be the equivalent of attending class. You will be expected to view the pages on a regular basis (at least several times per week). You will be responsible to post in the discussion area at least twice a week. It is a good idea to post once at the beginning of the week and again after the middle of the week to allow interaction between all students from the class.
- Because this is a 14 weeks course for five units, you should plan on doing approximately 5-7 hours of work weekly since we will meet once a week and you must read and complete assignments from the textbook that and MySpanishlab.
- **Important information for a Online course:**
 - **This is an Online course**, therefore all the assignments will be online.
 - All the assignments such as quizzes, MySpanishlab activities, recording assignments, Chapter tests, Escrituras are due on Sunday before 11:50 p.m. Do not wait until Sunday to complete the activities because if you have any issues with Internet or other issues, you won't be able to submit late assignments
 - When you are taking a quiz or exam online, open just one browser. This is very important because if you open different browsers and accidentally close the one that has your quiz/exam, you will lose it. The system only allows you one attempt and it is timed. I have no control over this issue. You will not be able to retake the quiz/exam.
 - Use Google Chrome or Fire Fox browser. Do not use Explorer browser
 - There is a midterm and a final exam here in Canvas as well as practice midterm and final exam.
 - You must complete the discussion every week on your own time. Read and follow the instructions in order for you to complete your task. You are also required to comment on one of your classmates' posts every week in order for you to receive full credit for participation. Please make sure that you read the topic for the discussion and the rubric that I will provide at the beginning of the week.
 - You will find the discussion topic at the bottom of the Modules or click on the tool Forums.
 - You will have homework that must be completed in MySpanishLab every week.

Course Format:

Modules

Go to Repaso semanal (weekly review) read the instructions and homework that is due next class. In Canvas you will have the modules for each chapter that we will cover for the semester. In each module you will have different activities such as practice quizzes (Those practice quizzes/activities are not part of your final grade.), complete all the activities assigned in each the modules every week. Then, go to MySpanishlab and complete the tasks related to the modules.

Repaso:

Every chapter is divided by weeks. It's important that you complete the Module called Repaso since the material covered in these Modules are reviews of grammar in a previous week, these are components that are essential for a better understanding of material presented in this course Spanish 100. Also, complete the extra activities in MySpanishlab.

Written assignments:

You will be assigned several written (Escrituras) tasks throughout the course, at the end of every chapter. The instructor will assign the topics for these written tasks in MySpanishlab. It's important to pay attention to the grammar (including accent marks). These tasks will be assigned at the end of some of the chapters. Be careful these written activities will be grade based in their content such as style, use of the vocabulary and grammar. For these assignments, don't open them, if you are not ready to complete them since Escrituras are timed.

Voice Recording assignments:

Those activities are in MySpanishlab and most of them, you will listen, read and answer questions based on the conversations or dialogues. Some of the sections are combined with reading, listening and recording.

NOTE: be sure after recording your activity, to play it before submitting it. No late recording activities will be accepted.

Quizzes & Tests:

There are quizzes in MySpanishlab/Canvas every week and at the end of each chapter there is an exam in MySpanishlab. For the online quizzes and tests, please know that I realize that in life there are many situations that occur, such as; submitting incomplete assignments, the browser accidentally shutting down while you are taking a quiz, being sick or having an illness or a death in the family. Taking in consideration these situations, I will drop the lowest score but be careful since I won't reset any quizzes. Also, there are exams, the midterm and final exam here in Canvas (MidtermExamPrácticaMidterm).

Midterm/Final Exam:

A study guide for the midterm and final exams will be provided the week before the exams, but also you can go over on the Modules: Gramática.... in the chapter that we already covered. Remember the midterm test and final exam are going to be here in Canvas.

Discussions:

There is a discussion every week. The first discussion starts on the third week. You will find the discussion topic at the bottom of the Modules or click on the tool Forums. Click where it says discussion, you won't see anything until you click on create thread which will take you to discussions, follow the model and after you write your discussion click submit. Do not forget that you will also have to comment on one of your classmate's comments. These discussions will be worth 10-15 points each.

If any student uses inappropriate language or is disrespectful to another student, that student will lose points and need to have a personal conversation with the instructor. Remember, this is a college class and the discussion should be academic in nature, so don't get off topic or you will also lose points. In addition, if you choose to upload a picture into your profile, make sure it is an appropriate

photo and that it is sized properly, or I will have to ask you to remove it. For example, too much skin exposure, even on a baby is inappropriate. Thank you for your cooperation in this matter.

Late assignments:

Late assignments won't be accepted.

Grading Criteria:

For grading refer to the final grading scale. For the due dates for all the activities in MySpanishlab and, please refer to the calendar of assignments due in the syllabus. Your overall grade will be posted in Canvas, not in MySpanishlab.

Online Classroom “Netiquette”

- Identify yourself. Include a subject line. Be careful when using humor or sarcasm every person interpret things differently. Be respectful of diverse opinions. Acknowledge and return messages promptly. Use appropriate language. Use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)].

taking exams and preparing written materials. If you do not understand how to correctly cite a source, you should ask for help.

- **Cheating** is defined as fraud, deceit, or dishonesty in an academic assignment or using or attempting to use materials, or assisting others in using materials, or assisting others in using materials, which are prohibited or inappropriate in the context of the academic assignment in question.
