Required Text: Sentences, Paragraphs, and Beyond, 7th Edition, Brandon & Brandon,

ISBN: 978-1133591924 in paperback only—no electronic copies

Course Requirements and Instructional Methods: The Department of Education policy states that on (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. {Translation: students are expected to attend all weekly class sessions as well as spend 2 hours per week doing out-of-class work for every hour that the class meets weekly. For example, our class meets four (4) hours per week, so students are expected not only to attend class sessions but also to spend eight (8) hours per week doing required reading, homework assignments, and writing assignments in preparation and support of the four hours of weekly class meetings. That will require a total of twelve (12) hours of a student’s time each week for this class all semester.}

So, during the semester there will be a number of course activities which must be **accomplished during class:**

1. Listening to and taking notes from discussions and lectures
2. Follow-up group or individual writing activities based on discussions, lectures, or assigned textbook readings
3. Practice writing, analyzing, and editing
4. Quizzes and exams
5. Turning in of papers and other work
6. Journal assignments

Out of class, students are expected to complete:

1. Weekly reading assignments in the textbook and from handouts
2. Homework assignments

Essays: The three main essays, Descriptive, Narrative, and Exemplification, will be begun in class and completed out of class. They will be due and turned in through a special portal on Canvas that will appear on our website near the due date for each essay. These essays must be typed in their final form, and a hard copy of each turned in during class.

Other Writing: These assignments will be done during class time, and students must do them at that time. They may not be made up.

Mid-Term Exam: Will be given during class, and if the student misses it, must be made up in the instructor's office within one week of the student's return to class. The student must approach the instructor and make an appointment to make it up.

Final Exam: The date for this appears on the Tentative Schedule and is the final activity of the semester.

Attendance:

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused'

Classroom Etiquette:

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor.
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog.
- Children in the Classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

Online Netiquette:

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)].

Academic Honesty: Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the importance of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an "F" in the course and/or disciplinary action. Please refer to the General Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.
