Course Description

Continuation of SPAN 220. It is designed for Heritage Speakers of Spanish to improve their writing, reading, and grammar skills. It focuses on the mastery of formal, written communication in Spanish at the intermediate-advanced level, while integrating authentic cultural and literary readings from Spanish speaking countries. The course focuses also on language challenges that Spanish speakers still encounter at intermediate-advanced level, such as orthography, the inappropriate mix of English and Spanish in specific contexts, and standard Spanish as contrasted with regional variations. This course is conducted entirely in Spanish. Emphasis on the conditional and the subjunctive forms. (CSU) (UC credit limited. See a counselor.)

Course Prerequisite(s) and/or Corequisite(s)

Course Requirements and Instructional Methods

Exámenes:

Habrán 2 exámenes en clase. Un Midterm y un Examen Final. Ambos exámenes serán tomados a distancia.

Midterm: domingo 6 de octubre

Final: viernes 13 de diciembre

Pruebas gramaticales:

El curso incluye varias pruebas gramaticales en **Canvas**. Las pruebas son a contrarreloj (es decir tienen 10 minutos para terminarlas) y solo podrán tomarlas una vez.

Actividades de práctica

En los módulos de aprendizaje habrá varias actividades de práctica. Éstas pueden ser prácticas gramaticales o pueden ser preguntas de comprensión sobre lecturas y cortometrajes. Las actividades de práctica de los módulos de gramática pueden tomarse hasta en 3 ocasiones. Las actividades de práctica en los módulos de Cultura, Literatura y Lectura y Comprensión sólo tendrán una oportunidad para hacerlas, pero pueden pausarse y regresar a ellas sin problema.

Entrevistas orales.

El estudiante tendrá dos entrevistas con el maestro para evaluar su destreza oral. Estas entrevistas serán calificadas según la corrección al hablar (gramática y ortografía), uso del registro lingüístico formal y la presencia de “Spanglish”. Las entrevistas pueden ser hechas en la oficina del maestro o por medio de las redes sociales como Facebook, Google Hangout o por skype. Hay una guía para establecer comunicación vía Google Hangout en el folder llamado Recursos y Preguntas Frecuentes.

Escritura

En esta clase hay dos tipos de asignaturas escritas; las llamadas “¡A Escribir!” y los ensayos. Las asignaturas escritas llamadas ¡A Escribir! tienen un valor de 10 puntos, son semanales y están relacionadas con actividades y lecturas incluidas en el libro. Estas asignaturas (A Escribir) se encuentran en los módulos de

escritura y deben enviarse a más tardar los **viernes**. Una vez que el maestro reciba el envío le señalará las faltas de ortografía por medio de símbolos de corrección (la guía la puede encontrar en el módulo Información Importante), le asignará una calificación parcial y se la regresará al estudiante, quien deberá hacer las correcciones necesarias y regresar la asignatura corregida para el domingo de esa misma semana. Si la asignatura no se corrige entonces se quedará la calificación parcial que el maestro asignó al primer envío.

IMPORTANTE: Si no se envía el viernes entonces **NO se califica y se pierden esos 10 puntos**.

Ensayo o composición escrita:

Habrán tres ensayos a lo largo de la clase. Un ensayo descriptivo, una carta de opinión y un ensayo narrativo. Estos ensayos se enviarán a Canvas como documentos adjuntos (attachments) en las fechas determinadas en el calendario. **Deberá llevar a revisión con un tutor el borrador del ensayo descriptivo y narrativo antes de enviar la versión final.**

Discusión en clase:

Las discusiones semanales pueden encontrarse en los módulos de aprendizaje. Las discusiones serán sobre temas relacionados con actividades de los textos sobre los cuales los estudiantes tienen que opinar. Por cada tema, los estudiantes tienen que escribir su opinión y también comentar sobre la opinión de otro compañero en otras dos entradas. De esta manera tendrán que escribir tres entradas por tema semanalmente. La primera participación en la discusión debe hacerse para **el día jueves de cada semana**. Si su primera participación no está en la discusión para el jueves de esa semana perderá los puntos correspondientes. Sus otros dos comentarios a los compañero/as se vencen el domingo de esa semana.

Recuerde, la primera participación es su respuesta a la pregunta del profesor, debe tener por lo menos **150 palabras y se vence el jueves a las 11:59 pm**. La segunda parte consta de dos comentarios a dos distintos compañeros de clase, cada uno de mis comentarios debe tener por lo menos **50 palabras y se vencen el domingo**. Si su participación no aporta a la discusión no recibirá puntos por su respuesta.

Si no envía su participación el jueves NO recibirá puntos por los comentarios a los compañeros.

Repasos:

El maestro ofrecerá repasos presenciales en IVC. Si los estudiantes lo solicitan, el maestro abrirá sesiones de repaso presenciales antes de los exámenes o en cualquier momento durante el semestre.

Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

Student Equity Program

- The Student Equity Program strives to improve Imperial Valley College’s success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students’ access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.
- The Student Equity Program also houses IVC’s Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
