Course Requirements and Instructional Methods

Instructional Methods: This course will include 15 to 18 lectures. Lectures will often include information not covered in your readings. Periodically, lecture will also include class discussions requiring your active participation. Students may also be required to read and watch material posted on Canvas. Both outside and in-class writing assignments are required. Reading is expected to be completed during the assigned week. Students must take notes during lecture. Please bring a copy of each lecture outline to class. They can be located on Canvas. All out-of-class written assignments must be submitted on Canvas. All assignments must be submitted in a Word.doc format. I do not accept individual hardcopies or emailed assignments. Please check Canvas for all due dates.

- **Analytical Essay:** You will write one analytical essay on the history of American slavery using your textbook and the *Narrative of the Life of Frederick Douglass, an American Slave*. You will receive a prompt for this assignment in advance. You must submit this assignment on Canvas to receive credit. You must also submit a hardcopy in class. Failure to submit a hardcopy will result in a 5-point penalty. Submissions will be penalized five points for each calendar day the assignment is late. This assignment will be worth up to 100 points.
- **Attendance:** At the beginning of class I will take attendance. Students may earn up to 15 points of extra credit for attending every class session. Students absent more than twice will not receive the extra credit. Students who leave early or arrive late more than twice will accrue one absence toward their potential bonus points. You are considered late if you miss roll. Also, unapproved phone activity will result in a zero.
- **Exams:** There will be a midterm exam and a final exam. Each exam will be worth at least 150 points. The exams will cover the assigned readings, my lectures, material posted on Canvas, and everything we discuss or watch in class. The final exam will not be cumulative. I will not allow a make-up examination except in instances in which a student has a documented personal medical emergency. Students will need to provide a large blue or green book for each exam. Do not bring a small blue or green book. Exams may include an essay response, short identification, multiple-choice, and/or matching. I will post a study guide at least two weeks before each exam on Canvas.
- **Map Quiz:** You will have one map quiz worth 25 points. A list of places and a blank map will be posted on Canvas prior to the quiz indicating locations to identify. **Note:** You will not receive a word bank during the quiz. Also, I will not allow make-up quizzes/examinations except in instances in which a student has a documented medical emergency.
- **Textbook Quizzes:** There will be seven in-class reading quizzes based on chapters from Give Me Liberty!. Each “Foner Quiz” will be worth at least 20 points. They will total at least 150 points for the semester. Be sure to bring an 882-E scantron to class for each quiz. There are no make-ups for these assignments. Quiz dates are located on the course schedule below.
- **Video Response:** There will be at least one video response paper this semester. This in-class assignment will be worth up to 20 points. I will provide more information on the day of the assignment.

- **Out of Class Assignments:** The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student’s status will be the same as that of any other student who desires to add a class. It is the student’s responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details. If you are in class anytime during the semester but stop coming to class and do not officially withdraw, you will receive an F.
- Regular attendance in all classes is expected of all students. Attendance will be taken every class period. If you are late or leave early, you may be marked absent. It is your responsibility to make sure I know you were in class. Students who stay for less than two-thirds of the class are considered absent. Students are responsible for all materials, assignments, or information given in class, regardless of whether you were in class. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences, however, do not take this class if you will have to miss more than two classes as a result of these activities, because it will seriously impact your ability to successfully complete the course.
- **It is your responsibility** to drop the course if you do not wish to complete the semester.

Classroom Etiquette

- **Electronic Devices:** Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor.
- **DO NOT TEXT IN MY CLASS—I DO NOT WANT TO SEE YOUR PHONE ONCE CLASS HAS STARTED.** Phone usage during class time will result in an absence and a zero in participation.
- Laptops are prohibited in class.
- Students on their phone during lecture may be asked to leave the classroom. They may also be dropped from the course.
- **Food and Drink are prohibited in all classrooms:** Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.

Disciplinary procedures will be followed as outlined in the [General Catalog](#). It is considered disruptive to the learning environment to leave and return to class, so please avoid doing so.
- **Children in the classroom:** Due to college rules and state laws, only students enrolled in the class may attend; children are not allowed.
- **Recording:** No photographing or recording is allowed without **my permission**.
- **Respect:** You do not have to agree with everything that is said or presented in this class. However, I will not tolerate disrespectful behavior. Everyone is entitled to share his or her opinions without fear of reprimand, so be courteous and civil.

Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

Student Equity Program

- The Student Equity Program strives to improve Imperial Valley College’s success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students’ access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.
- The Student Equity Program also houses IVC’s Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
