### **Course Requirements and Instructional Methods**

#### **Lecture Questions (All 8 questions must be turn in by December 3)**

Each answer of the Lecture Question **must be one page** length. The first paragraph must answer the question, additionally; the second paragraph must be on your opinions about the topic.

The students will be given 10 lecture questions through the Spring 19 semesters. In addition, they will only **answer and turn in 8 Lecture questions for the Fall 2019 semester**. The lecture Questions would be due by the end of the semester. However, **I recommend not wait until the last week of the semester to turn them in**. Lecture Question are to be turn in printed in black ink, do not sent them via email.

To get all complete points on the lecture questions I recommend sticking to the facts that we discuss in class. Your paper should be in **12-point Times New Roman** format **always**. Font size and style mismatches are automatic red marks on your paper and will result in a lower grade. You are expected to proofread your assignments before and after you print it, make sure the language and prose of your statements does three things: make sense, is grammatically correct and is in proper syntax. Deliver competent phrases that do not detract but amplify your writing, the overall language level of the paper must be on a college level.

### **Postcard Project: Due (November 21).**

*Part 1:* You will choose a picture or painting of an historical person or event, and will write **two to three** pages of a pretend letter. Then you will explain the historical event that is happening as if you (or someone you know) are living it.

*Part 2:* Write a **three to four**-page research explaining the following: What is the thesis of your research? Create a discussion on a topic or person that has do with the class.

If you can try to explain why is it important to discuss about the event or person? Is there a historical event going on in the picture or drawing? When and where it was picture taken or drawn? and in addition, do you identify with the people in the picture?

*Sources:* You must use at least four sources to get full points. Sources can be Internet video and articles (**No Wikipedia, using Wikipedia will give you an automatic F**), newspaper or magazine articles, and books. You can also use the lecture notes as a source. The sources are going to help you understand and explain what happened in the United States during the time the picture or drawing was done.

The topic must be from the *Reconstruction* (after the U.S. Civil War) to the late 1980s.

I will expect a Bibliography and citations on the sources (we will look how to make one bibliography in class).

*Format:* The format of the assignment can be written in MLA or Chicago Style. The letter must have at least four citations. **12 point Times New Roman** format always.

I will give you examples of how to do the assignment in class so do not worry.

### **Mid-Term and Final.**

Frist part will be learning 25 terms which would be based on the textbook material and on the lectures notes.

The second part will be a written essay. There are going to be two to four essay questions, you would only choose one out of the two. The essay questions would be based on the readings and lecture notes. In the essay, the student will identify important terms and historical figures that shape the political, economic, and social life of the United States during the last decades of the 19<sup>th</sup> century and the 20<sup>th</sup> century.

You may use a pencil or lead pencil, and *bring a BLUE BOOK*.

**Make Up Exams**

You must contact me no later than the day of the exam, preferably sooner, if you will miss a test. You must provide proof that you could not come to school (doctor's note, court appearance notice, service orders, etc.) to be eligible for a makeup exam.

Make up exams must be completed within 2 calendar days of the student's return to school from absence. You must schedule an appointment at the Study Skill Center (760) 760-355-6390 to take the test in there.

Please note that each exam represents 25% of your final course grade. Therefore, if you miss an exam and do not make it up, the best grade you can get in the course is 75%, a C, and that is only if you achieve 100% on the other exam.

Throughout my many years teaching I have observed that students who miss an exam and do not make it up almost always get a F in the course, at best a D. Obviously, if you intend to pass the course, you must take all the exams.

|-------------------|
| <b>Attendance</b> |
|-------------------|

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class.

Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.

- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

### Classroom Etiquette

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor.
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the [General Catalog](#).
- Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)].

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and

preparing written materials. If you do not understand how to “cite a source” correctly, you must ask for help.

- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students' access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.
