Attendance Policy:

Students are expected to attend all class sessions and to actively participate while in attendance. During the course of the semester, students are allowed two unexcused absences. A 3rd unexcused absence will result in a one-letter drop in final grade and a 4th unexcused absence will result in a two-letter drop in final grade. And so on. Should a student miss a 7th class unexcused he/she will receive an F for the semester. Tardies are counted; after 2 they become an absence. If a student misses 3 consecutive days without notification to the instructor, they will be dropped.

YOU ARE RESPONSIBLE FOR SIGNING IN EVERY CLASS. ATTENDANCE IS CHECKED TEN MINUTES INTO THE CLASS. IF YOU ARE NOT SIGNED IN, YOU ARE CONSIDERED ABSENT.

Examples of EXCUSABLE absences that are allowed be made up:

- illnesses confirmed by a doctor
- family emergency (accident, hospitalized immediate family member)
- college-sponsored event
- court duties
- job interviews

That student is responsible for making up the excused absence at a time and place that is agreed upon by both student and instructor, up to two make ups only. All excused absences need to be communicated to the instructor *prior* to or immediately following the date that the student will be/is absent. It is the responsibility of the student to inform the instructor prior to the date of the class that she/he will not be present and to initiate a make up day. Should the class not be made up within a *ONE week time period*, the absence will be deemed as unexcused and will count against the number of unexcused absences a student is allowed. Attendance is taken at the beginning and end of each class session.

Dress and Equipment:

Students are required to dress appropriately for all class sessions. Appropriate clothes include:

- Shorts
- T-shirts
