**Course Description**

The beginning Spanish course is based on a contrastive analysis between Spanish and English and is designed to develop in the English-speaking student rudimentary abilities in the four basic language skills: hearing, speaking, reading, and writing. The main emphasis is on the present tense of both regular and irregular verbs. The student will be familiarized with those features of Hispanic culture, which reflect the different frame of reference from which the native speaker of Spanish views the world.

The class is conducted in Spanish. (CSU, UC).

This is a **hybrid** class. Do you know what a hybrid class is? According to our Distance Learning Department, "**Hybrid** courses supplant some, but not all face-to-face instruction, reducing the time actually spent in the classroom. To schedule a hybrid course, 51% or more of the course/contact hours occur online. This designation is also given whenever students are required to come to IVC campus for any reason (testing, orientation, etc.)". In other words, in your Spanish 100 hybrid class, **we will be meeting ALL Tuesdays in room 211 from 1:00 to 3:30**. Please refer to the syllabus for more details.

**Course Prerequisite(s) and/or Corequisite(s)**

**Prerequisite:** The student must be able to speak and read English.

**Not open to students with native ability in Spanish or those who have studied in a Spanish speaking country.** (See SPAN 220). For additional oral practice, concurrent enrollment in SPAN 113 is recommended.

### Student Learning Outcomes

Upon course completion, the successful student will have acquired new skills, knowledge, and or attitudes as demonstrated by being able to:

1. Research historical or cultural information about a Spanish-speaking country and prepare an oral and/or written presentation. (ILO1, ILO3, ILO4)
2. Organize information about a historical or cultural aspect of a Spanish-Speaking country for a written or oral assignment. (ILO1, ILO3, ILO5)
3. Successfully communicate at the novice/elementary level a personal event in the present tense. (ILO1, ILO2)
4. Describe basic daily life situations using correct grammatical structures, vocabulary and idiomatic expressions. (ILO1)
5. Assess the content and meaning of written Spanish both orally and in writing. (ILO1, ILO4, ILO5)

### Course Objectives

Upon satisfactory completion of the course, students will be able to

1. Demonstrate knowledge of the Spanish sound system.
2. Use the Spanish writing/spelling system with its diacritical marks, especially the accent.
3. Practice receptive skills through coordinated written and spoken material.
4. Practice productive skills, by repetition, use of cognates, and real-life situations appropriate to the university level.
5. Demonstrate knowledge of grammar to allow communication from controlled use of language forms to open-ended communicative activities.
6. Demonstrate knowledge of the language skills in speaking, listening, writing, and comprehension according to the American Council on the Teaching of Foreign Language Proficiency Guidelines.
7. Identify the varieties of Spanish and its speakers through recordings, maps, and videos.

### Course Requirements and Instructional Methods

**The Student Activities in MySpanishLab online** (Capítulos Preliminar -5): should be kept up to date by every student. **They are due on Fridays.** Plan to study 1-2 hours or more a day on your own. It is important when learning a foreign language to practice listening, speaking, reading, and writing skills as much as you can outside of the classroom.

**HOMEWORK:** Submit homework on time, this includes pre-assigned readings. Since this is a hybrid class, **it is imperative that come prepared to class and complete all reading assignments before class.** No late homework will be accepted unless stapled with a valid medical excuse, within two days of your return. I may check or collect homework on any given day. Neither absence nor tardiness will be considered an excuse for missing assignments, incomplete work, or quizzes. You are responsible for the work missed during your absence. See the calendar to review due dates.

**Important:**

Modules open on Friday at 11:59

Readings are due Mondays at 11:59

My Spanish Lab work is due Friday at 11:59.

**ORAL INTERVIEW/Presentation:** You will prepare **one** oral interview. You must be present the days of your interview. The topics will be assigned in class. Interview will be graded on content, preparation, creativity, vocabulary, fluency, pronunciation, and ability to communicate in the target language. Not speaking enough Spanish in interview lowers your grade

**FINAL EXAM:** The exam will be on Capítulo Preliminar & Ch. 1-5. More information regarding this exam will be given by the instructor.

**CHAPTER EXAMS (EXÁMENES):** There will be six chapter exams, one midterm and a final exam. (I will drop the lowest score from tests). If for any reason you miss a test or a quiz (illness, death in the family etc.), consider this your lowest grade and I will drop it/them). In addition, expect quizzes (written or oral) on geography, grammar, homework assignments, and class discussions on history, vocabulary, and culture. Quizzes will be announced and unannounced. Please note that the quizzes and the exams would be given in the first hour, do not be late otherwise, you will lose time. There will be **NO MAKE-UP TESTS OR QUIZZES** -Except in cases of documented emergencies, at the discretion of the professor. For reasons of fairness and the integrity of the class, there are **NO EXCEPTIONS**. Last examinations will be held during the week of June 8-12. You must be present on these days, or you will automatically receive a zero. **NO EXCEPTIONS**. Make sure you plan to get to class on time and always come prepared for a quiz.

### Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

### Student Equity Program

- The Student Equity Program strives to improve Imperial Valley College’s success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students’ access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.
- The Student Equity Program also houses IVC’s Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
