Course Requirements and Instructional Methods

The following will be used to calculate your grade:

- Participation
- Instructor observations
- Final exam

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Course Grading Based on Course Objectives

All classes are to be attended, you will bowl 2 games per class. You will be expected to bowl 28 games this semester. The following scale will be used for the attendance policy:

- 28-26 games completed = A
- 25-24 games completed = B
- 23 games completed = C
- 22 games completed = D
- 21< games completed = F

Attendance

Class begins promptly at 10:00 DO NOT BE LATE! If the games have already been started, you will not be able to join until the second game begins and you will be docked (missing a game and it will count against you) Students are expected to attend all class sessions and to actively participate while in attendance. During the course of the semester, students are allowed **two** unexcused absences. If a student misses 3 consecutive days without notification to the instructor, they will be dropped.

Examples of ***EXCUSABLE*** absences that are allowed be made up:

- illnesses confirmed by a doctor
- family emergency (accident, hospitalized immediate family member)
- college-sponsored event
- court duties
- job interviews

That student is responsible for making up the excused absence within 3 weeks of the absence. All excused absences need to be communicated to the instructor *prior* to or immediately following the date that the student will be/is absent if they plan on making up the class. Should the class not be made up within a ***three week time period***, the absence will be deemed as unexcused and will count against the number of

unexcused absences a student is allowed. Attendance is taken at the beginning and end of each class session.

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

Classroom Etiquette

Dress and Equipment: Students are required to dress appropriately for all class sessions. Appropriate clothes include:

- Comfortable clothing appropriate for public venues
- Bowling shoes will be supplied, wear socks. no bare feet allowed
 - No spaghetti strap tank tops or mid drifts exposed.
 - One warning for inappropriate dress will result in student not being allowed to participate in class and receiving an unexcused absence for that day.

Do not bring food or drinks into the bowling center. The snack bar at the venue will be open for purchasing limited menu items.

If you are injured during class, notify the instructor immediately.

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor.

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

Student Equity Program

- The Student Equity Program strives to improve Imperial Valley College’s success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students’ access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.
- The Student Equity Program also houses IVC’s Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
