Basic Course Information

Semester:	Fall 2020	Instructor Name:	Jose Velasquez
	Construction Blueprints		
Course Title & #:	BLDC 110	Email:	Jose.velasquez@imperial.edu
		Webpage	
CRN #:	10819	(optional):	www.imperial.edu
Classroom:	3117	Office #:	(760)3555758
Class Dates:	8/17-12/12	Office Hours:	
Class Days:	Monday & Wednesday	Office Phone #:	
Class Times:	M 8:00 -10:05 pm W 8:00-11:10pm	Emergency Contact:	(760)355-6361
Units:	3		

Course Description

This is an introduction to construction blueprint reading and specifications, study of the methods of graphic representation of building materials, symbols, measurements, and interpretation of building codes.

Student Learning Outcomes

- 1. Interpret Blueprints in order to generate material takeoffs and estimate labor costs and project profits. (critical thinking skills)
- 2. Demonstrate positive work ethics and demonstrate ability to work well with others and perform group tasks in a timely manner. (personal Responsibility)
- 3. Differentiate between extension and dimension lines. (critical thinking skills)

Course Objectives

Upon successful completion of this course, the students will:

- 1. Demonstrate knowledge and understanding in Drawings (the language of the industry)
- 2. Demonstrate knowledge and understanding in reading drawings for trade information
- 3. Demonstrate knowledge and understanding in multifamily construction drawings.
- 4. Demonstrate knowledge and understanding in commercial construction drawings

Textbooks & Other Resources or Links

Print Reading for Construction,(Residential and Commercial) Walter C. Brown, Daniel P. Dorfmueller.

Course Requirements and Instructional Methods

Lab practices will be face to face for the first six weeks of the semester and continued instruction will be synchronous online with the use of Canvas.

Visit a building concrete laboratory and monitor a destructive test to determine P.S.I. of concrete. Reading and Writing: Write a 2000 word report that will be shared and discussed in class.

<u>Out of Class Assignments</u>: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time <u>and</u> two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Course Grading Based on Course Objectives

A= 90%-100% Excellent

B= 80%-89% Good

C= 70%-79% Satisfactory

D= 60%- 69% Pass, less than satisfactory

F= 59%&Below Failing

The course grade will be determined by various factors such, as class participation, classroom assignments, chapter reviews & drawing project, midterm & final exams. The grading range is as follows:

Class Participation 25% Laboratory 25% Midterm 25% Final Exam 25%

Attendance, Late Assignments:

Absences and tardiness provide an opportunity to miss valuable instruction presented by the instructor, guest speakers, and site administrators. Tardiness will contribute to lower scores on assignments and subsequently a lower course grade. All assignments are due on the specified completion dates and all students have the same and equal time to complete all assignments

as per the course calendar. Considerations will be given to those late assignments accompanied by a written medical statement from a physician. 25% of possible **points will be penalized for late work. Any assignment can be turned in prior to the due date!**

Attendance

- A student who fails to attend the first meeting of a class or does not complete the first
 mandatory activity of an online class will be dropped by the instructor as of the first
 official meeting of that class. Should readmission be desired, the student's status will
 be the same as that of any other student who desires to add a class. It is the student's
 responsibility to drop or officially withdraw from the class. See General Catalog for
 details.
- Regular attendance in all classes is expected of all students. A student whose
 continuous, unexcused absences exceed the number of hours the class is scheduled to
 meet per week may be dropped. For online courses, students who fail to complete
 required activities for two consecutive weeks may be considered to have excessive
 absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

Classroom Etiquette

- <u>Electronic Devices</u>: Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor.
- <u>Food and Drink</u> are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- <u>Disruptive Students:</u> Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog.
- <u>Children in the classroom:</u> Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

Online Netiquette

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)].

Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- <u>Plagiarism</u> is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- <u>Cheating</u> is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the <u>General Catalog</u> for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

Additional Student Services

Imperial Valley College offers various services in support of student success. The following are some of the services available for students. Please speak to your instructor about additional services which may be available.

- **Blackboard Support Site**. The Blackboard Support Site provides a variety of support channels available to students 24 hours per day.
- <u>Learning Services</u>. There are several learning labs on campus to assist students through the use of computers and tutors. Please consult your <u>Campus Map</u> for the <u>Math Lab</u>; <u>Reading, Writing & Language Labs</u>; and the <u>Study Skills Center</u>.
- <u>Library Services</u>. There is more to our library than just books. You have access to tutors in the <u>Study Skills Center</u>, study rooms for small groups, and online access to a wealth of resources.

Disabled Student Programs and Services (DSPS)

Any student with a documented disability who may need educational accommodations should notify the instructor or the <u>Disabled Student Programs and Services</u> (DSP&S) office as soon as possible. The DSP&S office is located in Building 2100, telephone 760-355-6313. Please contact them if you feel you need to be evaluated for educational accommodations.

Student Counseling and Health Services

Students have counseling and health services available, provided by the pre-paid Student Health Fee.

- <u>Student Health Center</u>. A Student Health Nurse is available on campus. In addition, Pioneers Memorial Healthcare District provide basic health services for students, such as first aid and care for minor illnesses. Contact the IVC <u>Student Health Center</u> at 760-355-6128 in Room 1536 for more information.
- <u>Mental Health Counseling Services</u>. Short-term individual, couples, family, and group therapy are provided to currently enrolled students. Contact the IVC <u>Mental Health Counseling Services</u> at 760-355-6196 in Room 2109 for more information.

Student Rights and Responsibilities

Students have the right to experience a positive learning environment and to due process of law. For more information regarding student rights and responsibilities, please refer to the IVC <u>General Catalog</u>.

Information Literacy

Imperial Valley College is dedicated to helping students skillfully discover, evaluate, and use information from all sources. The IVC <u>Library Department</u> provides numerous <u>Information Literacy Tutorials</u> to assist students in this endeavor.

Anticipated Class Schedule/Calendar

Date or		Pages/ Due
Week	Activity, Assignment, and/or Topic	Dates/Tests
Week 1	Unit 1 Introduction to Print Reading	
Week 2	Unit 2 Construction Math and Application	
Week 3	Unit 3 Reading Measuring Tools	
Week 4	Unit 4 Lines and Symbols HOLIDAY 9/5 NO CLASS	
Week 5	Unit 5 Freehand Technical Sketching	
Week 6	Unit 6 Pictorial Drawings	
Week 7	Unit 7 Orthographic Drawings	Midterm
Week 8	Unit 8 Reading Scales and Dimensioning Drawings	
Week 9	Unit 9 Specifications	
Week 10	Unit 10 Construction Materials	
Week 11	Unit 11 Plot Plans	
Week 12	Unit 12 Foundation Prints	
Week 13		
Week 14	Unit 14 Commercial Framing Prints	
Week 15	Unit 15 Plumbing Prints	
Week 16	Unit 16 HVAC Prints	Final Exam
