

## Imperial Valley College Course Syllabus – BIOL 100 – Principles of Biological Science

Basic Course Information			
Semester	<b>Winter 2021</b>	Instructor Name	<b>Dr. Daniel Gilison</b>
Course Title & #	<b>Principles of Biological Science – BIOL 100</b>	Email	<b>daniel.gilison@imperial.edu</b>
CRN #	<b>15034/15124</b>	Webpage	<a href="https://cas.imperial.edu">https://cas.imperial.edu</a>
Room	<b>ONLINE</b>	Office	<b>2770</b>
Class Dates	<b>N/A</b>	Office Hours	<b>None</b>
Class Days	<b>N/A</b>	Office Phone #	<b>(760) 355-5759</b>
Class Times	<b>ONLINE</b>	Office contact if student will be out or emergency	<b>(760) 355-5759 or daniel.gilison@imperial.edu</b>
Units	<b>4</b>		

### Course Description

A comprehensive one semester general biology course for non-majors. Includes life from the molecular to the organismic level of both plants and animals and their interactions within the environment. Special emphasis is put on human biology within appropriate areas of study. Appropriate for general education as well as nursing, pre-professional, and higher level biology courses. Includes laboratory component. (CSU) (UC credit limited. See a counselor.)

### Course Prerequisite(s) and/or Corequisite(s)

MATH 091 or MATH 090 with a grade of "C" or better.

### Student Learning Outcomes

Upon course completion, the successful student will have acquired new skills, knowledge, and or attitudes as demonstrated by being able to: demonstrate an understanding of the steps of the scientific method. (ILO2)

### Course Objectives

Upon satisfactory completion of the course, students will be able to:

1. identify the basic characteristics of all living things.
2. name basic chemical aspects that pertain to life and the concept of homeostasis.
3. describe the subcellular components of the cell including their structure and function.
4. explain the light and dark reactions of photosynthesis.
5. explain cellular respiration and its relations to the entire organism.
6. demonstrate knowledge of the structure and function of DNA and RNA.
7. explain protein synthesis and site the central dogma of cell biology.
8. compare and contrast the fundamentals of asexual and sexual reproduction.
9. define ecology and the overall impact of ecology to conditions in the environment.
10. solve problems in general genetics and in human genetics and relate advances in genetics to social responsibility of geneticists.
11. identify and relate the functions of the major systems of the human body; the interrelationship among body systems and nature of disease.
12. classify organisms in the kingdoms of plants and animals, discuss their evolutions and their relationships.

- Online textbook/lab manual: <https://www.mheducation.com/highered/custom/product/9781307605822.html>

### Course Requirements and Instructional Methods

1. There will be **4 on-line** exams, worth **100 points** each (**400 points** total). Exams will last 60 minutes, and will consist of 50 multiple choice/matching questions dealing with lecture material. Figures from the lectures and textbook will appear on the exams. Exams will be open from 12 PM – 8 PM on the days listed on the class schedule, and must be completed within that time block. There will be no make-up exams, except for extreme circumstances. If you have a valid, documented reason for missing an exam, it is **your responsibility** to tell me about it and provide valid documentation **as soon as possible**, otherwise you will not have the opportunity to make up the exam, and will be given a **zero** for that exam. **Exams will be found on the Canvas site under the Assignments link. Exams will use Proctorio and will need to be taken using Google Chrome.**
2. There will be **1 on-line** lab exam, worth **130 points**. This lab exam will cover all lab activities during the course. For this exam, you will view some results or other aspects from the lab and then answer questions about them. This exam will last 30 minutes and will consist of 26 multiple choice style questions. The exam will be open from 12 PM – 8 PM on the day listed on the class schedule and must be completed within that time block. There are no make-ups for this exam.

3. There will be **11 on-line** lab worksheets worth **10 points** each (**110 points** total). Lab worksheets are due at the end of the day for each lab completed. Lab worksheets cannot be made up, except for extreme circumstances. **Lab Worksheets will be found on the Canvas site under the Assignments link.**
4. There will be **21 on-line** homework assignments worth **10 points** each (**210 points** total). These homework will deal with various lecture topics, and will be due on the date in the schedule listed at 11:59 PM. Homework cannot be made up, except for extreme circumstances. **Homework will be found on the Canvas site under the Assignments link.**
5. There will be **4 on-line** review quizzes for extra credit and they will be due on the date in the schedule listed at 11:59 PM. **Review quizzes will be found on the CANVAS site under the Assignments link. Review quizzes will use Proctorio and will need to be taken using Google Chrome.**
6. Spelling and grammar count on all written assignments! You will lose up to **20% of the points** on each assignment if you have excessive spelling or grammatical errors.
7. There will be extra credit available on some assignments.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

<b>Course Grading Based on Course Objectives</b>		
4 Exams	=	400 points
1 Lab practical exam	=	130 points
11 <b>Online</b> lab worksheets	=	110 points
21 <b>Online</b> homework	=	210 points
-----		
<b>Total</b>	=	<b>870 points</b>
<b>A</b>		783 - 870 points
<b>B</b>		696 - 782 points
<b>C</b>		609 - 695 points
<b>D</b>		522 - 608 points
<b>F</b>		0 - 521 points

**Attendance**

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student’s status will be the same as that of any other student who desires to add a class. It is the student’s responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences.
- The deadline for dropping a course without appearing on transcript is **Sunday, January 10**.
- The deadline for dropping a full-term class is **Wednesday, January 27**.

**Academic Honesty**

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another’s work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one’s own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to “cite a source” correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from

others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

#### Additional Help

1. Make sure you watch all lectures and labs! Not watching the lecture or lab videos, or just skipping through them, can cause you to miss lecture and lab material, and will only put you at a disadvantage in this class.
2. Make sure you know what will be happening each day for class! Keep the class schedule handy.
3. Skim through or read the chapter before watching the lectures, and lab activities before watching the labs. You will have a general feel for the subject matter, which will help your understanding of the material during lecture. You will also be able to easily understand what is happening in the lab.
4. Pay attention during lectures! I will say things during lecture that are not written on the PowerPoint slides that will be on the exams. Make sure you take good notes during lecture. Don't just mindlessly write down word-for-word what is on the slides. Listen to what I have to say, and take notes on that also!
5. Study, study, study! You should spend at least 2-3 hours studying for this class each day. You should study in an area where there are no distractions (television, radio, computers, music, other people, etc.). However, you should also spend time studying with other students. Nothing makes you learn the material better than having to explain it to someone else!
6. Spend time doing the online homework! It is there to help you learn the material, so not doing it, or waiting until the due date to start the homework will only hurt your grade in the class.
7. Don't cram! It is better to spend some time each day studying as compared to saving it all until the night before the exam.
8. It is not enough just to memorize facts! On the exams, you will be responsible for using the information learned and applying it to new situations. You need to understand what these facts mean!

#### ONLINE CLASSES:

1. Online classes are typically harder, not easier, for most students. You need to be self-sufficient with studying and keeping up with the material and work needed to be done for the class.
2. I will be sending out constant announcements about when lectures are available and when assignments are due. However, this is not a substitute for reading the syllabus and class schedule.
3. **Check your IVC email** constantly! All announcements and major forms of communication will be sent to it.
4. Exams and review quizzes will use **Proctorio**. You have to have Google Chrome to use Proctorio (<https://www.google.com/chrome/>) and after downloading it, you need to add the Proctorio extension (<https://getproctorio.com/>). I will give you a practice quiz first to check that everything works for you so there are no problems with the review quizzes or exams.
5. You need to **watch the full lectures** – and probably multiple times! Don't treat lectures like regular videos that you can just skip through. You need to treat the online lecture videos as if you were really in the classroom listening to the lecture. Not doing so will hurt your grade in this class.
6. Any questions about the course material or anything else about the class? Ask me!

#### Additional Student Services

Imperial Valley College offers various services in support of student success. The following are some of the services available for students. Please speak to your instructor about additional services which may be available.

- **CANVAS LMS.** Canvas is Imperial Valley College's main Learning Management System. To log onto Canvas, use this link: [Canvas Student Login](#). The [Canvas Student Guides Site](#) provides a variety of support available to students 24 hours per day. Additionally, a 24/7 Canvas Support Hotline is available for students to use: 877-893-9853.
- **Learning Services.** There are several learning labs on campus to assist students through the use of computers and tutors. Please consult your [Campus Map](#) for the [Math Lab](#); [Reading, Writing & Language Labs](#); and the [Study Skills Center](#).
- **Library Services.** There is more to our library than just books. You have access to tutors in the [Study Skills Center](#), study rooms for small groups, and online access to a wealth of resources.

#### Disabled Student Programs and Services (DSPS)

Any student with a documented disability who may need educational accommodations should notify the instructor or the [Disabled Student Programs and Services \(DSP&S\)](#) office as soon as possible. The DSP&S office is located in Building 2100, telephone 760-355-6313. Please contact them if you feel you need to be evaluated for educational accommodations.

#### Online Netiquette

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online. Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)].

Imperial Valley College Course Syllabus – BIOL 100 – Principles of Biological Science

<b>Tentative Class Schedule</b>				
<b>Date</b>	<b>Lecture</b>	<b>Lab</b>	<b>Lab Worksheets</b>	<b>Homework and Exam Reviews</b>
1/4 M	Introduction to the class	Introduction to the lab	<b>Lab Safety</b>	<b>Syllabus Quiz</b>
1/5 T	Ch. 1.1,3 – Scientific Study of Life	Metric Measurement (Lab 2.1)	<b>Metric Measurement</b>	<b>Study of Life</b>
1/6 W	Ch. 2 – The Chemistry of Life	Metric Measurement 2 (Lab 2.1)	<b>Metric Measurement 2</b>	<b>Chemistry</b>
1/7 R	Ch. 3.1,2,4,5 – Cells	Chemical Composition of Cells (Lab 3.1, 2)	<b>Chemical Composition</b>	<b>Cells</b>
1/8 F	Ch. 3.3, 4.5 – Membranes	Microscopy (Lab 2.4-5)	<b>Microscopy</b>	<b>Membranes Proctorio Practice Quiz</b>
1/11 M	Ch. 4.1,3,4 – Energy & Enzymes	Cell Structure and Function (Lab 4.3-4)	<b>Cell Structure</b>	<b>Exam 1 Review</b>
1/12 T	<b>Exam 1 – Ch. 1-4 (Membranes) Ch. 8.1,4,5 – Mitosis</b>	<b>NO LAB</b>		<b>Energy</b>
1/13 W	Ch. 9.1-6 – Meiosis Ch. 23.1,2 – Tissues	Enzymes (Lab 5.1-3)	<b>Enzymes</b>	<b>Mitosis</b>
1/14 R	Ch. 27.1,3-5 – Circulation	Cellular Division (Lab 8.1)	<b>Cell Division</b>	<b>Meiosis Tissues</b>
1/15 F	Ch. 27.6,7 – Respiration	Fetal Pig Dissection 1 (Lab 26.3, 27.5)		<b>Circulation</b>
1/18 M	<b>NO CLASS – MLK Day</b>	<b>NO LAB</b>		
1/19 T	Ch. 28.7 – Digestion	Fetal Pig Dissection 2 (Lab 26.4-6, 27.5)		<b>Respiration Exam 2 Review</b>
1/20 W	<b>Exam 2 – Ch. 4 (Energy), 8, 9, 23, 27</b>	<b>NO LAB</b>		
1/21 R	Ch. 28.9,10 – Urination	Fetal Pig Dissection 3 (Lab 26.4-6, 27.5)		<b>Digestion Urination</b>
1/22 F	Ch. 24.1,2,4-6 – Nervous System Ch. 24.7-11 – Senses	Fetal Pig Dissection 4 (Lab 26.4-6, 27.5)	<b>Pig Dissection</b>	<b>Nervous System</b>
1/25 M	Ch. 2.5D, 7.1, 8.2 – DNA Structure and Replication	<b>NO LAB</b>		<b>Senses DNA</b>
1/26 T	Ch. 7.2,3,4,6 – Gene Function	DNA Isolation (Lab 11.3, 4)	<b>DNA Isolation</b>	<b>Gene Function</b>
1/27 W	Ch. 10.1,2,3,7,8 – Patterns of Inheritance	<b>NO LAB</b>		<b>Exam 3 Review</b>
1/28 R	<b>Exam 3 – Ch. 28, 24, 7, 8</b>	<b>NO LAB</b>		<b>Genetics</b>
1/29 F	Ch. 8.6 – Cancer	Human Genetics (Lab 10.2)	<b>Human Genetics</b>	<b>Cancer</b>
2/1 M	Ch. 12.1,2,3,5 – Evolution Ch. 18.2,4,6 – Population Ecology	<b>NO LAB</b>		<b>Evolution</b>
2/2 T	<b>NO LECTURE</b>	<u>Review for Lab Exam</u>		<b>Populations Exam 4 Review</b>
2/3 W	<b>Exam 4 – Ch. 10, 8 (Cancer), 12, 18</b>	<b>NO LAB</b>		
2/4 R	<b>NO LECTURE</b>	<b>Lab Exam (all labs)</b>		

### **Veteran's Center**

The mission of the [IVC Military and Veteran Success Center](#) is to provide a holistic approach to serving military/veteran students on three key areas: 1) Academics, 2) Health and Wellness, and 3) Camaraderie; to serve as a central hub that connects military/veteran students, as well as their families, to campus and community resources. Their goal is to ensure a seamless transition from military to civilian life. The Center is located in Building 600 (Office 624), telephone 760-355-6141.

### **Extended Opportunity Program and Services (EOPS)**

The Extended Opportunity Program and Services (EOPS) offers services such as priority registration, personal/academic counseling, tutoring, book vouchers, and community referrals to qualifying low-income students. EOPS is composed of a group of professionals ready to assist you with the resolution of both academic and personal issues. Our staff is set up to understand the problems of our culturally diverse population and strives to meet student needs that are as diverse as our student population.

Also under the umbrella of EOPS our CARE (Cooperative Agency Resources for Education) Program for single parents is specifically designed to provide support services and assist with the resolution of issues that are particular to this population. Students that are single parents receiving TANF/Cash Aid assistance may qualify for our CARE program, for additional information on CARE please contact Lourdes Mercado, 760-355- 6448, [lourdes.mercado@imperial.edu](mailto:lourdes.mercado@imperial.edu).

EOPS provides additional support and services that may identify with one of the following experiences:

- Current and former foster youth students that were in the foster care system at any point in their lives
- Students experiencing homelessness
- Formerly incarcerated students

To apply for EOPS and for additional information on EOPS services, please contact Alexis Ayala, 760-355-5713, [alexis.ayala@imperial.edu](mailto:alexis.ayala@imperial.edu).

### **Student Equity Program**

- The Student Equity Program strives to improve Imperial Valley College's success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students' access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.

The Student Equity Program also houses IVC's Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.

### **Student Counseling and Health Services**

Students have counseling and health services available, provided by the pre-paid Student Health Fee.

- **Student Health Center.** A Student Health Nurse is available on campus. In addition, Pioneers Memorial Healthcare District provide basic health services for students, such as first aid and care for minor illnesses. Contact the IVC [Student Health Center](#) at 760-355-6128 in Room 1536 for more information.
- **Mental Health Counseling Services.** Short-term individual, couples, family and group counseling services are available for currently enrolled students. Services are provided in a confidential, supportive, and culturally sensitive environment. Please contact the IVC Mental Health Counseling Services at 760-355-6310 or in the building 1536 for appointments or more information.

### **Student Rights and Responsibilities**

Students have the right to experience a positive learning environment and to due process of law. For more information regarding student rights and responsibilities, please refer to the IVC [General Catalog](#).

### **Information Literacy**

Imperial Valley College is dedicated to helping students skillfully discover, evaluate, and use information from all sources. The IVC [Library Department](#) provides numerous [Information Literacy Tutorials](#) to assist students in this endeavor.
