- Completing all homework and projects by the due dates in MySpanish Lab and Canvas. It is important that you manage your own pace doing the work in both platforms and do not wait until the due date to complete all of the tasks because if you have an issue with internet or something else, you won't be able to finish the activities. Late work is not accepted.
- Using the class web pages will be the equivalent of attending class. You will be expected to view the pages on a regular basis (at least several times per week). You will be responsible to post in the discussion area at least three times a week. You must post your activity by the due date, write a comment on two of your classmates' activity and read the rubric for the discussion, in order for you to receive full credit the discussion every week.

 - Students are responsible for knowing all due dates.
 - **The tests and MySpanish Lab's activities are due by 9:00 p.m. on the due date.**
 - When you are taking a quiz or exam online, open just one browser. This is very important because if you open different browsers and accidentally close the one that has your quiz/exam, you will lose it. The system only allows you one attempt, and it is timed. I have no control over this issue. You will not be able to retake the quiz/exam. Also, do not refresh the test because only you have one attempt, this will count as your attempt.
 - **Use Google Chrome or Fire Fox browser. Do not use Explorer browser**

Course Format:

Log in Canvas

Click on Modules/ Begin Here!

Modules:

Go to Repaso semanal (weekly review) after watching the video and seeing what you need to do, go to Capítulo. In each Capítulo you will have the modules for each chapter that we will cover for the semester. You must complete all the activities assigned in each module every week **such as videos and practice activities** and practice quizzes because they take the place of the professor's lectures. Then, go to MySpanish Lab and complete the tasks related to the modules. **The quizzes, discussions, escrituras, oral presentations are in Canvas, due at 11:59 p.m. and MySpanishLab's Activities and chapter tests are in MySpanish Lab, activities are due at 9:00 p.m.**

MySpanishlab Activities and Extra Activities:

It's important that you complete the activities in every Module (Canvas) and Prácticas (practice quizzes) because in this way, you will reinforce your acquisition of the target language. These activities are not part of your overall grade but it's important that you complete them. Every chapter we will cover, you must complete all MySpanishlab activities. In each module we will review the grammar from the previous week, these are components that are essential for a better understanding of material presented in Spanish 100.

MySpanishlab Activities, you do not need to get a 100% score in every single activity as long you pass them and complete them as stated in the instructions.

NOTE: after registering in MySpanish Lab, student must do the Tune up step 1 and 2.

Also, step 1 complete before to take a chapter test.

IF A STUDENT HAS ISSUES WITH MYSPANISH LAB, S/HE MUST CONTACT TECH SUPPORT [Help for Students](#)

IMPORTANT NOTE: ALL MYSPANISH LAB'S ACTIVITIES ARE DUE AT 9:00 P.M.

Be aware that the practice quizzes in the Modules in Canvas are not part of grade.

Quizzes & Tests:

There are quizzes in Canvas every week **based on videos and grammar we cover in the course** and at the end of each chapter there is an exam in MySpanishlab. For quizzes and tests, please know that I realize that in life there are many situations that occur, such as submitting incomplete assignments, the browser accidentally shutting down while you are taking a quiz, being sick, problem with the Internet connectivity or having an illness or a death in the family. Taking in consideration these situations, I will drop the lowest score for a test and three lowest scores for the quizzes but be careful since I won't reset any test nor quizzes.

When you are taking a quiz or exam online, open just one browser. This is very important because if you open different browsers and accidentally close the one that has your quiz/exam, you will lose it. The system only allows you one attempt, and it is timed. I have no control over this issue. You will not be able to retake the quiz/exam. Also, do not refresh the test because only you have one attempt, this will count as your attempt.

Written assignments:

You will be assigned five written (Escrituras) tasks throughout the course, at the end of every chapter in Canvas. The instructor will assign the topics for these written tasks in Canvas. It's important to pay attention to the grammar (including accent marks). These tasks will be assigned at the end of each chapter. Be careful, these written activities

will be graded based on their content such as style, use of the vocabulary and grammar. Upload your Escrituras in Canvas with the format Word or Pages. Otherwise, you will receive zero for those assignments. **Read the rubric before you complete this task.**

Discussions:

There is a discussion every week. The first discussion starts on the first week. You will find the discussion topic at the bottom of the Modules or click on the tool Forums. Click where it says discussion, you won't see anything until you post your task, read and follow instructions in order for you to post your activity. There are two due dates for Discussions for each chapter. **Do not forget that you will also have to comment on two of your classmates' activities. These discussions will be worth 12 points each. Your first post is due on a specific date and it must have at least 100 words and your second post are comments on two of your classmates must have at least 50 words.** Otherwise, you won't receive full credit. Also, you must type your first post in order for you to complete the second part of the discussion. In other words, if you do not type your first post, you will receive zero for the discussion on the specific week even though you type the comments on two of your classmates' activities.

If any student uses inappropriate language or is disrespectful to another student, that student will lose points and need to have a personal conversation with the instructor. Remember, this is a college class, and the discussion should be academic in nature, so don't get off topic or you will also lose points. In addition, if you choose to upload a picture into your profile, make sure it is an appropriate photo and that it is sized properly, or I will have to ask you to remove it. For example, too much skin exposure, even on a baby is inappropriate. Thank you for your cooperation in this matter.

Oral Presentations:

You will prepare for two oral presentations in the target language. Presentation will be graded on content, preparation, creativity, vocabulary, fluency, pronunciation, and ability to communicate in the target language. You will be given more details about this during the semester.

Late assignments:

Late assignments won't be accepted.

Grading Criteria:

For grading refer to the final grading scale. For the due dates for all the activities in MySpanishlab and Canvas, please refer to the calendar of assignments due in the syllabus. Your overall grade will be in Canvas. I will transfer all of the data manually into Canvas.

Course Policies

[Describe other policies such as attendance, academic honesty, netiquette, expected classroom behavior, etc.]

Academic Honesty

[Required language.] Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)].

[Required Information: The below information is the IVC attendance policy. Use this information in addition to any specific attendance policies you have for your course.]

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
