None.

### Student Learning Outcomes

Upon course completion, the successful student will have acquired new skills, knowledge, and or attitudes as demonstrated by being able to:

2. Critique works of art. (ISLO1, ISLO3, ISO5)
3. Write a descriptive essay about a work of art. (ISLO1, ISLO3, ISO5)

### Course Objectives

Upon satisfactory completion of the course, students will be able to:

1. Develop aesthetic perception by perceiving the physical world in terms of visual images symbols
2. Recognize equipment and materials required for painting: easels, supports, canvases, varnishes, brushes, pigments, and mediums.
3. Execute preliminary drawings for paintings emphasizing value contrasts, linear stability, and balanced compositional elements.

7. Develop idea generation through creation of paintings which address content and are created through the combination of several types of reference materials resulting in works which are planned and presented for critique.
8. Recognize and interpret contemporary art issues and terminology through the completion of writing assignments and verbal critiques.
9. Apply compositional elements effectively.
10. Develop the ability to mix color, and apply color theory.

### Work-based Learning

Work-based Learning (WBL) allows students to apply classroom content in professional settings while gaining real-world experiences. These opportunities will provide you with a deeper, more engaging and relevant learning environment. This semester, I will be offering WBL activities in order to provide you with the opportunity to explore career options that would be applicable to applicable careers.

The following are WBL assignments: portfolio preparation and presentation (required), critique presentations (required), gallery or museum attendance, either in person or virtual, and reviews (extra credit), and art show participation (extra credit).

### Course Requirements and Instructional Methods

**Course Overview: This is an introductory course to oil painting. Under some circumstances, acrylic may be used. Ask your instructor. There will be lecture, demonstration, and audio-visual materials as well as painting and critiques (possibly both verbal and written).**

**Paintings must be completed on canvas in either acrylic or oil and must be original work completed during this semester for this class only, not another class or previous work done some time ago.**

**The class will be taught IN PERSON in Room 1306.** The class is cross listed with the other levels of painting classes, including II, III and IV, which means you will get to see what others are doing and discuss their work with them.

**Most everything you need will be supplied including the paint, canvas, brushes, palette and palette knife. Because you MAY be SOMETIMES working from home, we will be supplying water-soluble oil paint that needs no solvent for cleaning up. You may wish additional materials that you will need to purchase.**

### **Instructor Expectations:**

- Students who do not participate during week one are automatically dropped. (Participation means turning attending or contacting your instructor the first week.)
- If you stop attending class, make sure to drop yourself from the class.
- Work is to be turned in on due date – no late work is accepted.
- You are responsible for knowing and observing due dates for all assignments.

### **What to Expect from your Instructor:**

- All your assignments will be graded within one week from their due date.
- To contact me, email me: [carol.hegarty@imperial.edu](mailto:carol.hegarty@imperial.edu); you can also use the "Inbox" link on the global navigation menu bar (far left).
- Your emails will be answered within 48-hours (emails are typically answered within a few hours).
- My goal is to help you succeed, so please reach out to me if you have any question/doubt.

### **Attendance and Participation**

In this course, logging in on a regular basis and your participation in discussions is how I will gauge your "attendance." Thus, meeting the due dates for discussions is very important. The beauty of an online course is that you can fit your studying in around your schedule. This doesn't mean, however, that the course is self-paced.

### **Add/Drop Policy**

If, after reviewing the syllabus and orientation, you feel this is not the right course for you, please let me know ASAP, so that you can be dropped from the course and another student can be added in your place.

Students who miss more than two graded assignments (discussions, critiques, etc.) may be dropped from the course. In addition, students who fail to log in to the course for 7 consecutive days risk being dropped from the course. If you are struggling, experiencing issues, or are seriously ill, please contact me immediately so we can develop a success plan together.

**Late Work** Late work interrupts the flow of learning in this course, and could cause serious problems. Critiques, in particular, are designed to be interactive--the feedback you give to and get from your peers is just as valuable as any feedback you will receive from me. For this reason, late work is discouraged, and some late work will not be accepted. Late work will receive a 10% reduction in the grade. Work submitted after 1 week of the due date will not be accepted.

**If an emergency arises, such as illness or a family emergency, please let me know ASAP. I can't reiterate enough that your success is my central goal, but your success also involves a partnership between you and me that is supported by strong communication.**

### **Essay Grading Policy:**

- The Essay is graded on a percent of 100.
- Grade reflects the overall quality of the work turned in, how complete the work is and whether the instructions from the assignment were properly followed.
- A rubric will be used to grade the essay.
- Missing or unsatisfactory work will be scored “no credit.” This is a 0 (F) and averaged into your grade.
- Essays that do not follow the prompt instructions will receive a 0 (F).
- **Late essays are not accepted.**

### **Essays & Plagiarism:**

- You will be writing one essay.
- All essays will be turned in to a plagiarism checker.
- So that your essay is not cited for plagiarism, the report should be 15% or less.
- Any essay that is suspected of plagiarism will receive a zero.

### **Critiques:**

- There are four critiques throughout the semester.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement. This class normally meets face-to-face for six hours per week.

### **Course Grading Based on Course Objectives**

**Your final grade will be composed of the following:**

**Midterm Portfolio (your paintings completed to Midterm): 305 points**

**Essay: 200 points**

**Final Portfolio (your paintings completed after Midterm): 305 points**

**Four In-Person Critiques. Attendance is mandatory. Each is 30 points X 4 = 120 points**

**Total possible = 930 points**

**I will be using the grade book in Canvas. Here is the grade scale:**

**A = 100-90%**

**B = 89-80%**

**C = 79-70%**

**D = 69-60%**

**F = 59% and below**

**Portfolio:** The portfolio is a group of paintings, not necessarily held within some sort of folder. Paintings, as required from each assignment, will be graded as a group at Midterm and for Final at the end of the semester.

**Required Midterm and Final Portfolio review:** At the middle and end of the semester, submit digital photographs of your paintings to your instructor via email, Canvas messaging or by attaching .jpgs to the assignment in Canvas. You will receive a grade with comments and suggestions for all the work completed.

**If you miss the Midterm or Final portfolio review, your grade may drop as a result of undocumented classwork.**

**Portfolio Grading Rubric - Portfolio Grades are based on four major factors:**

- **CREATIVITY:** Is the work conceptually inventive? Was your painting resonant, gripping, inventive, or memorable? **(24.5% of grade) 75 points**
- **SKILL LEVEL:** Is the work convincing in terms of form, value and special effects? Is the painting well crafted? Has there been any development or improvement? **(24.5% of grade) 75 points**
- **SUBSTANCE:** How substantial is your learning process? Do you bring intensity, commitment, and energy to class? **(24.5% of grade) 75 points**
- **COMPLETENESS:** Is your work finished? **(26.2% of grade) 80 points**

About the essay: Students are required to complete a 600–900-word opinion essay, meeting specific requirements outlined in the assignment handout. It will be submitted to a plagiarism service on Canvas. Below are the factors on which it will be graded. **Rubric 200 points possible:**

### Other Course Information

**Reliable mail order: This is the most economical to purchase art supplies, even with shipping cost. Call for catalogs.**

1. The Jerry's Catalog, 1-800-827-8478 [www.jerrysartarama.com](http://www.jerrysartarama.com) I have saved "Teacher's Cart's" listing the supplies we purchase for class. See Jerry's homepage under Teacher's Carts, listed alphabetically under "I" for Imperial Valley College. Follow the links for students to find lists.

2. Dick Blick, 1-800-828-4548 [www.dickblick.com](http://www.dickblick.com)

Blick and Jerry's often have free shipping with a minimum purchase. You do not pay tax if you purchase from Jerry's because they don't have a store in California; however, there is a Blick store in San Diego, so they do collect tax from mail order. Both have frequent sales. Get on their email list. Call to request catalogs.
