

AHP 100 Medical Terminology Syllabus FALL 2022 version 08 10 2022

Basic Course Information

Semester:	FALL 2022	Instructor Name:	Julie Kunath MS APRN
Course Title & #:	AHP 100 Medical Terminology	Email:	julie.kunath@imperial.edu
CRN #:	10924	Webpage (optional):	Canvas
Classroom:	2131	Office #:	TBA in 2100 bldg
Class Dates:	08/15 – 12/10/2022	Office Hours:	Mondays 1305 – 1505; Wednesdays 1330 – 1400; Thursdays 1330 - 1400
Class Days:	Wednesdays	Office Phone #:	(760) 355 - 6422
Class Times:	4:20pm – 7:30pm (1620 – 1930)	Emergency Contact:	Nursing Office (760) 355 - 6348
Units:	3	Class Format:	In-person

Last date to Add: 08/27/2022

Deadline to drop with "W": 11/02/2022

Course Description

Course of study is designed to develop competency in the accurate use of medical vocabulary to include anatomy, physiology, diseases, and descriptive terms to prepare students for entry-level positions as medical transcribers, clinical editors, health insurance processors, and patient administration specialists. (CSU)

Course Prerequisite(s) and/or Corequisite(s)

None required.

Student Learning Outcomes

Upon course completion, the successful student will have acquired new skills, knowledge, and or attitudes as demonstrated by being able to:

1. To build medical words from Greek and Latin prefixes, suffixes, word roots, and combining forms as measured by a comprehensive final exam and the class average passing at 75% or higher.
2. To spell medical words correctly as measured by individuals scoring at least 8 out of 10 points for one short answer question on the final exam.
3. To recall acceptable medical abbreviations that represents phrases and terms as measured by individuals scoring at least 23 out of 25 for one matching question on the final exam.

Course Objectives

Upon satisfactory completion of the course, students will be able to:

1. Define principal systems of the body, directional terms, body cavities, abdominopelvic regions, abdominopelvic quadrants and planes of the body
2. List four parts of the human cell, processes, cell division, cell disorders and related terms.
3. Relate four types of tissues, membranes, tissue inflammation, fibrin formation, pus formation and tissue repair.

4. Describe components of nomenclature, disorders and descriptive terms of the integumentary system
5. Describe components of nomenclature, disorders, articulation of joints and descriptive terms of the skeletal system
6. Describe components of nomenclature, disorders and descriptive terms of the muscular system
7. Describe components of nomenclature, disorders and descriptive terms of the nervous system
8. Describe components of nomenclature, disorders and descriptive terms of the special senses
9. Describe components of nomenclature, disorders and descriptive terms of the cardiovascular system
10. Describe components of nomenclature, disorders and descriptive terms of the lymphatic system
11. Describe components of nomenclature, disorders and descriptive terms of the respiratory system
12. Describe components of nomenclature, disorders and descriptive terms of the digestive system
13. Describe components of nomenclature, disorders and descriptive terms of the urinary system
14. Describe components of nomenclature, disorders and descriptive terms of the reproductive system

Textbooks & Other Resources or Links

- Ann Ehrlich; Carol L. Schroeder 2022. *Medical Terminology for Health Professions* (9th edition). Cengage Learning. ISBN: 978-0-357-51369-9.

Course Requirements and Instructional Methods

Course instructions may include class lecture, discussion, group discussion, audio/visual, computer assisted instructions, and/or canvas communication.

Two (2) hours of independent work done out of class per each hour of lecture or class work, or the equivalent per unit is expected each week.

Textbook and online topics for discussion related to chapter. Assignments and discussions will be posted on Canvas. Assignments can be turned in through Canvas.

The Department of Education Policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one (1) hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Course Grading Based on Course Objectives

Course is for letter grade only

Grading Scale:

- A = 90 - 100% of total points
- B = 80 - 89%
- C = 70 - 79%
- D = 60 - 69%
- F = below 60%

Activity/Assessment	% of grade total
Homework Assignments	10%

Quizzes	10%
Tests	50%
Mid-Term Exam	15%
Final Exam	15%
TOTAL	100%

- There will be **NO make-up tests**. The instructor reserves the right to review the extreme cases for absences and will consider a make-up exam. In this case a 10% deduction of the grade will apply.
- Assignments are due Mondays at 2359 (midnight) on canvas or at the beginning of the following class if on paper.

Course Policies

ATTENDANCE

- A student who fails to attend the first meeting of class will be dropped by the instructor. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. You will need an add code to re-enter the class.
- Regular attendance in all classes is expected of all students.
- A student who continuously accrues unexcused absences that exceed the number of hours the class is scheduled to meet per week will be dropped. (3 absences is the maximum allowed).
- If a student leaves the class early, or leaves after the break without notifying the instructor, this will constitute an absent equal to the number of hours absent that day
- It is the student's responsibility to drop or officially withdraw from the class. Student must drop through Webstar. See General Catalog for details.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences

ONLINE NETIQUETTE

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette:
 - identify yourself,
 - include a subject line,
 - avoid sarcasm,
 - respect others' opinions and privacy,
 - acknowledge and return messages promptly,
 - copy with caution,
 - do not spam or junk mail,
 - be concise,
 - use appropriate language,
 - use appropriate emoticons (emotional icons) to help convey meaning, and
 - **use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)].**

CLASSROOM ETIQUETTE

- **Electronic Devices:** Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor. Electronic watches that can access internet are not allowed in class during examinations.
- **Food and Drinks** are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- **Disruptive Students:** Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog.
- **Children in the classroom:** Due to college rules and state laws, only students enrolled in the class may attend; children are not allowed.

CIVILITY

Civility is treating others and ourselves with respect, dignity and care. Civility is evident when we are sensitive to the impact that our communications, and behaviors have on others, and when we acknowledge each other's self-worth and unique contributions to the community as a whole. This includes any and all forms of disrespect or disregard for instruction, the instructor or a fellow student. Education Code Section 76034, IVC Code of Student Conduct

ACADEMIC HONESTY

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property. There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- **Plagiarism** is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- **Cheating** is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General Catalog for more information on academic dishonesty or other misconduct.

Acts of cheating include, but are not limited to, the following:

- plagiarism.
- copying or attempting to copy from others during an examination or on an assignment.
- communicating test information with another person during an examination.
- allowing others to do an assignment or portion of an assignment.
- using a commercial term paper service.
