Instructional Methodology: Audio, visual, demonstration, discussion, individual paper, and lecture.

Hours: Even though this class is in person, I am still expecting you to participate on Canvas as much as you can. How much time you put into the class is how much you will get out of it. I highly encourage you to participate in all discussions – they are part of your end grade-.

- **WELCOME EMAIL:** Email/messaging is an effective communication tool for this class. There is one welcome email required, detailed instructions are on Canvas.
- **WELCOME DISCUSSION:** Because our class discussions are the primary way of communicating – we have weekly discussions – there is a welcome discussion due the first week of class.
- **EXAMS:** There will be a total of **Three exams**, each worth **100 points**. The exams administered are based on text readings and lecture. There will be ***no make-up exams***, only under extreme circumstances. Preliminary dates for each exam are provided in the schedule section of this syllabus.

Note: Importantly, these exams are not the only part of your grade. By attending discussions and weekly activities and applying your knowledge is a key element in the success of this class.

- **JOURNALS:** There will be **4** journals each worth 25 points, these papers are what you feel is important about psychology, current topics pertaining to your interests and how psychology plays a role in your life. The papers are minimum of two pages, typed, and double-spaced. The thought papers will add up to **100 points**.

Note: The fourth journal of this class will be an assessment. Detailed instructions are on Canvas.

- **CLASS PARTICIPATION AND ATTENDANCE:** Class attendance and participation are expected and is worth **50 points**. Most classes will include discussions, and/ or homework designed to increase your understanding of the material. It is critical that students feel comfortable participating in a classroom environment, thus, common courtesy and mutual respect are expected.
- **RESEARCH PAPER:** Finally, there will be one research paper worth **100 points**. Students will carry out library research on a special topic of interest related to psychology. More specifically, focusing on a developmental disorder. At the end of the course, students will have the option to present their work in seminar format for extra credit.
- **Late work:** **There is no late work accepted. All work is due by the due date. If work is accepted late under extreme circumstances, it will be marked as half credit.**

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

IMPERIAL VALLEY COLLEGE

Student Equity Program

•The Student Equity Program strives to improve Imperial Valley College’s success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students’ access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.

• The Student Equity Program also houses IVC’s Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
