### Course Description

The beginning Spanish course is based on a contrastive analysis between Spanish and English and is designed to develop in the English-speaking student rudimentary abilities in the four basic language skills: hearing, speaking, reading, and writing. The main emphasis is on the present tense of both regular and irregular verbs. The student will be familiarized with those features of Hispanic culture, which reflect the different frame of reference from which the native speaker of Spanish views the world. Additional language structures and vocabulary practice will be assigned.

#### ***This Fall 2022 Span 100 is ONLINE (ASYNCHRONOUS)***

***• In an online class, all course activity occurs online; there are no required real-time or on campus meetings. All content is delivered in Canvas. Coursework does have due dates as set by the instructor, but can be completed, once the content becomes available, at any time before the due date.***

ATTENTION: ALTHOUGH THIS IS AN ONLINE CLASS,

STUDENTS ARE **STILL** REQUIRED TO COMMUNICATE WITH THE INSTRUCTOR. DISCUSSION MEETINGS ARE NOT REQUIRED BUT RECOMMENDED/SUGGESTED.

ALSO, THE INSTRUCTOR MAY REQUEST THAT YOU MEET ONLINE (VIA ZOOM) TO DISCUSS YOUR CLASS PROGRESS, OR ANY OTHER COURSE-RELATED ISSUES. **COMMUNICATION IS THE KEY TO YOUR SUCCESS.**

### Academic Honesty (Artificial Intelligence -AI)

IVC values critical thinking and communication skills and considers academic integrity essential to learning. Using AI tools as a replacement for your own thinking, writing, or quantitative reasoning goes against both our mission and academic honesty policy and will be considered academic dishonesty, or plagiarism unless you have been instructed to do so by your instructor. In case of any uncertainty regarding the ethical use of AI tools, students are encouraged to reach out to their instructors for clarification.

### Course Policies

**This is an online class (Asynchronous);** Therefore, there are no mandatory, face to face meetings. However, your instructor may request that you meet with him via zoom. If the student refuses to meet with the instructor for any type of academic assistance, he/she will run the risk of being dropped from the class.

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class **will be dropped** by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog (Links to an external site.) for details.

- Regular participation in all classes is expected of all students. A student with continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped.

For online courses, **students who fail to complete required activities for two consecutive weeks** may be considered to have excessive absences and may be dropped.

## ONLINE NETIQUETTE

• “Netiquette” refers to the rules of behaving well online. It can be more difficult to discern meaning in written text than in spoken conversation, so pay particular attention to your words.

• Keep your language clear and concise; ensure posts are on-topic; use correct spelling, grammar, and capitalization (all caps = yelling); and contribute productively to conversations

How am I expected to act in an online “classroom” (especially Zoom)?

Attending a virtual meeting can be a challenge when there are many students on one conference call. Participating in such meetings may count as class attendance, but disruptive behavior may also result in you not being admitted to future meetings. Follow the tips below for best results:

• **Be RESPECTFUL**

1. Your written, verbal, and non-verbal communications should be respectful and focused on the learning topics of the class.

• **Find a QUIET LOCATION & SILENCE YOUR PHONE (if zooming)**

1. People walking around and pets barking can be a distraction.

• **EAT AT A DIFFERENT TIME.**

1. Crunching food or chugging drinks is distracting for others.

2. Synchronous zoom times are set in advance so reserve meals for outside class meetings.

• **ADJUST YOUR LIGHTING SO THAT OTHERS CAN SEE YOU**

1. It is hard to see you in dim lighting so find a location with light.

6

2. If your back is to a bright window, you will be what is called “backlit” and not only is it hard on the eyes (glare) but you look like a

• **POSITION THE CAMERA SO THAT YOUR FACE AND EYES ARE SHOWING**

1. If you are using the camera, show your face; it helps others see your non-verbal cues.

2. You may be at home, but meeting in pajamas or shirtless is not appropriate so dress suitably. Comb your hair, clean your teeth, fix your clothes, etc. before your meeting time to show self-respect and respect for others.

• **Be READY TO LEARN AND PAY ATTENTION**

1. Catch up on other emails or other work later.

2. If you are Zooming, silence your phone and put it away.

3. If you are in a room with a TV – turn it off.

• **USE YOUR MUTE BUTTON WHEN IN LOUD PLACES OR FOR DISTRACTIONS**

1. Pets barking, children crying, sneezing, coughing, etc. can happen unexpectedly.

It’s best if you conference in a private space, but if you can’t find a quiet place, when noises arise MUTE your laptop.

• **REMEMBER TO UNMUTE WHEN SPEAKING**

1. Follow your instructor’s directions about using the “raise hand” icon or chat function to be recognized and to speak, but make sure you have unmuted your device.

2. Do not speak when someone else is speaking.

• **REMAIN FOCUSED AND PARTICIPATE IN THE MEETING**

1. Especially when the camera is on YOU, we can all see your actions. Engage in the meeting. Look at the camera. Listen to instruction. Answer questions when asked.

2. Do not use the Zoom meeting to meet with your peers or put on a “show” for them.

• **PAUSE YOUR VIDEO IF MOVING OR DOING SOMETHING DISTRACTING**

1. Emergencies happen. If you need to leave the room or get up and move about,

### ACADEMIC HONESTY

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another’s work and recognize the important of acknowledging and safeguarding

Updated 6/2023

intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General Catalog (Links to an external site.) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial OR open source term paper service.

How do I show academic honesty and integrity in an online "classroom"?

- KEEP YOUR PASSWORDS CONFIDENTIAL.
  - o You have a unique password to access online software like Canvas. Never allow someone else to log-in to your account.
- COMPLETE YOUR OWN COURSEWORK.

8

o When you register for an online class and log-in to Canvas, you do so with the understanding that you will produce your own work, take your own exams, and will do so without the assistance of others (unless directed by the instructor).

Examples of Academic Dishonesty that can occur in an online environment:

- Copying from others on a quiz, test, examination, or assignment;
- Allowing someone else to copy your answers on a quiz, test, exam, or assignment;
- Having someone else take an exam or quiz for you;
- Conferring with others during a test or quiz (if the instructor didn't explicitly say it was a group project, then he/she expects you to do the work without conferring with others);
- Buying or using a term paper or research paper from an internet source or other company or taking any work of another, even with permission, and presenting the work as your own;
- Excessive revising or editing by others that substantially alters your final work;
- Sharing information that allows other students an advantage on an exam (such as telling a peer what to expect on a make-up exam or prepping a student for a test in another section of the same class);
- Taking and using the words, work, or ideas of others and presenting any of these as your own work is plagiarism. This applies to all work generated by another, whether it be oral, written, or artistic work. Plagiarism may either be deliberate or unintentional.
- Any student committing acts of plagiarism will be referred to the Dean of Student Affairs.
