Introduction Discussion-First Day Attendance Assignment

Updated 6/2023

The first mandatory “assignment” is an introduction discussion. Students will have until the end of Wednesday August 16, 2023. Students who do not submit the discussion by the due date will be drop from the class. Please plan accordingly. It should take anywhere from 5 to 10 minutes. Canvas Quizzes will ensure that you are on top of your readings and lectures. Quizzes are multiple choices, True/False, and short responses. All quizzes will open on Thursdays and will close on Sundays at midnight.

Chapter Participation Activities

Research shows that people learn better when they are actively involved in the learning process. Participation is not just “showing up” or “logging on” to class. I will have weekly chapter participation activities (e.g., discussions, assignments, short answer, small projects, etc..). More information will be provided.

Culture Paper: You will write an essay based on the chapter on Culture. You will receive an assignment guide and help so that you write an excellent paper.

Final Project: For the final project you will have the opportunity to think about social change. You will be given a guide to complete the social movement/change project. Don’t stress! I will give you time and direction so that you can succeed.

Extra Credit. You will have opportunities to earn extra credit throughout the course. I may announce extra credit opportunities during lecture videos, in the chapter PowerPoints, or in an announcement. If you are not staying on top of the class, you will miss extra credit opportunities. **I will not repeat the extra credit opportunity later!**

Academic Honesty (Artificial Intelligence -AI)

IVC values critical thinking and communication skills and considers academic integrity essential to learning. Using AI tools as a replacement for your own thinking, writing, or quantitative reasoning goes against both our mission and academic honesty policy and will be considered academic dishonesty, or plagiarism unless you have been instructed to do so by your instructor. In case of any uncertainty regarding the ethical use of AI tools, students are encouraged to reach out to their instructors for clarification.

In addition, the following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.

Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment and the instructor may report the incident to the Campus Disciplinary Officer who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action.

Course Policies

Attendance Policy

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

Netiquette Policy What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.

Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)].
