

IVC HEALTH ASSISTANT PROGRAM (AHP 60)

Basic Course Information

Semester:	FALL 2023	Instructor Name:	Lisette Campos Cuevas
Course Title & #:	HEALTH ASSISTANT	Email:	Lisette.campos@imperial.edu
CRN #:	11124	Webpage (optional):	N/A
Classroom:	2139	Office #:	N/A
Class Dates:	08/15/2023-10/20/2023	Office Hours:	N/A
Class Days:	THEORY: M-TH 6-905/ CLINICAL: Monday and Wednesday 530-930 Saturday 630am6pm	Office Phone #:	
Class Times:	THEORY: 18:00-21:05 (M-TH) Aug. 14 thru Sept.14th CLINICAL: Sep 18-Oct 20th M and W 530-930 Saturdays 630am- 600pm 9/23, 9/30, 10/07, 10/14	Emergency Contact:	Call instructor – Lisette Campos cell phone: (760) 440-7688; TEXT ME, IS THE FASTEST & EASIEST. PLEASE STATE YOUR NAME & REASON. I WILL TEXT OR CALL ASAP or RESPOND BY CANVAS TO ALL STUDENTS.
Units:	5.5	Class Format:	State of California Chancellor’s Office Nurse Aide Curriculum; Pearson Vue Booklet July 1, 2018; Regional Testing Center (RTC) Coordinates scheduling students for the examination

Course Description

This course will prepare the health assistant for certification by the State of California as an entry-level worker on a health care team in a long-term care facility. The course is structured to provide theory and practical application of skills needed to function as a nurse assistant. Additional materials fee apply. (Nontransferable, AA/AS degree only)

Course Prerequisite(s) and/or Corequisite(s)

NONE

Student Learning Outcomes

Upon course completion, the successful student will have acquired new skills, knowledge, and or attitudes as demonstrated by being able to:

1. Demonstrate proper body mechanics while moving, turning, and ambulating a patient.
2. Take and accurately record vital signs on a child and adult: blood pressure, pulse, temperature, and oxygen saturation.
3. Identify key menu items or components regarding the diet for a long-term care diabetic.

Course Objectives

MEASURABLE COURSE OBJECTIVES AND MINIMUM STANDARDS FOR GRADE OF "C":

Upon satisfactory completion of the course, students will be able to:

- Complete an introduction to Nursing Assistant (DHS Module 1)
- Discuss and demonstrate Patient/Resident Rights (DHS Module 2)
- Discuss and demonstrate interpersonal skills (DHS Module 3)
- Discuss and demonstrate prevention management of catastrophe and unusual occurrence in long term care (DHS Module 4)
- Demonstrate proper body mechanics (DHS Module 5)
- Discuss and demonstrate Medical and Surgical Asepsis (DHS Module 6)
- Discuss and demonstrate weights and measures of clients (DHS Module 7)
- Discuss and demonstrate patient care skills (DHS Module 8)
- Discuss and demonstrate patient care procedures (DHS Module 9)
- Demonstrate proper technique and documentation of vital signs (DHS Module 10)
- Discuss and provide proper nutrition for the long- term care client (DHS Module 11)
- Discuss and demonstrate emergency procedure (DHS Module 12)
- Discuss and demonstrate care for the long-term care patient (DHS Module 13)
- Discuss and demonstrate rehabilitative nursing (DHS Module 14)
- Demonstrate proper patient/client observation and charting (DHS Module 15)
- Discuss the nurse's aide role and demonstrate care for patients dying or requiring postmortem care. (DHS Module 16)
- Discuss the nurse's aide role in preventing, recognizing, and reporting instances of resident abuse. (DHS Module 17)

State of California Nurse Aide Model Curriculum:

Lecture Outline

1. Introduction to Nursing Assistant
2. Patient/Resident Rights
3. Interpersonal Skills
4. Prevention management of catastrophe and unusual occurrences
5. Body Mechanics
6. Medical and Surgical Asepsis
7. Weights and Measures
8. Patient Care Skills
9. Patient Care Procedures
10. Vital Signs
11. Nutrition

Course Objectives – con.t

State of California Nurse Aide Model Curriculum:

Lecture Outline (con.t)

12. Emergency Procedures
13. Long Term Care Patient
14. Rehabilitative Nursing
15. Observation and Charting
16. Death and Dying
17. Abuse

Course Requirements and Instructional Methods

Objective

Student is required to self-participate: OUT OF CLASS HRS: 126.00 – during the course/does not include studying/self-practice for State Nurse Aide Examination after the course is over

ASSIGNMENTS:

Out-of-class

Students 'MUST' meet program deadlines, self-reading and writing, complete homework, and read IVC Canvas emails regularly. Students 'MUST' demonstrate self-study, self-discipline, dependable, responsible, organizational study skills for Theory, State Skills Practice and be able to self-prepare to practice State skills for State Nurse Aide Examination 'Skills' portion of the exam. Student 'MUST' be able to apply knowledge from Theory into direct patient care skills 'Safely' in the clinical setting. Student 'MUST' demonstrate being confidential, conscientious, empathetic during patient care, be caring, ability to communication while providing patient care in the clinical setting demonstrate teamwork with other classmates and clinical staff employees.

Students to download and study required California Nurse Assistant Candidate Handbook & National Nurse Aide Assessment Program booklet. Provide proof of ability to convert standard time to military time.

Reading and Writing

Write a post-assignment paper that relates to student's clinical experience. Majority of content emphasized is in reading assigned chapters as directed by syllabus and instructor.

Module Exams, for each or combination of Modules 1-17 and Final Exam – MUST pass all exams and final exam with 70% or better. Otherwise, student is unable to continue with the course – NO make-up exams and NO missing class on exam days the student will not be able to continue with the course and 'MUST' self-drop from the course or get an 'F' at the end of the course.

The course is an 'Accelerated' course and requires memorization reading skills, self-discipline, self-organizational daily skills for studying, practicing for the 'State of California Nurse Aide Examination' and basic math, reading and writing skills.

During clinical rotation occasionally requires for students to stay at clinical past class time on the class roster to continue with patient care for 'Safety' reasons. The students are to stay with the patient until a qualified staff member can continue the patient care. Then the entire class can leave the clinical site premises for the day.

The course requirements cost money at the students expense if completes the course or withdraws from the course.

Course Requirements and Instructional Methods – con.t

Oral Assignments – participate in class

Problem Solving Exercise – Discuss examples related to patient care issues that may arise in a hospital setting

Skills Demonstration – State of California Nurse Aide Manual Skills using 'Pearson Vue Booklet July 1, 2018

Written Assignments (completed) related to resident/patient healthcare: Workbook, abbreviation sentences, three research papers: Alzheimer's Disease, Elder Abuse & HIPPA/Confidentiality (research papers due prior to starting clinical/hospital rotation

Class Activity – Participate in self-practice return demonstration for State Manual Skills (Pearson Vue Booklet July 1, 2018) and clinical/hospital rotation completing required clinical/hospital hours credit for the course

Course Grading Based on Course Objectives

GRADING CRITERIA

Letter Grade Only

Grading System:

1. A= 90%-100%
2. B= 80%-89%
3. C= **70%**- 79% (> 70 % **OR** better minimal requirement to pass this class) proceed to Clinical rotation
4. D= 60% - 69%
5. F= 59% > (below)

Students must pass all exam including the Final Exam with a 70% or better.

Students not passing any exams including the Final Exam the student will NOT be allowed to continue with the course or attend clinical rotation.

Student must self-drop the course online or receive a letter grade of an 'F' at the end of the course.

Student DO NOT go to instructor to try and stay in the course. Student may need additional courses with basic reading, writing, math skills and/or memorization skills.

Student advised make an appointment with IVC Academic Counselor.

Homework completed will receive extra credit.
(Student will not submit 'incomplete' homework)

Course Policies

ABSENCES: NOT ALLOWED

Student MUST attend 'ALL' days of class to receive credit hours for the course – NO ABSENCES ALLOWED – NO EXCUSES!

Student must be in complete uniform during class, clinical rotation or attending IVC for lab skills practice.

Student must be respectful of others in classroom and clinical rotation including hospital staff.

Student must text instructor if student is going to be late for any reason.

Student must behavior in a professional behavior during class and clinical rotation.

NO student will be allowed to be absent (NO Excuses!) on exam day or final exam day. If student is absent student will be asked to leave the classroom, withdraw class online or receive a letter grade of an 'F' at the end of the course.

Student will know if they are passing the course. If student is not passing the course the student will need to withdraw the course online or receive a letter grade of an 'F' at the end of the course. The instructor will not be able to help the student as the student receives all the materials needed to help them through the course. The student may need to take extra English, reading, math or memorization courses prior to taking the course.

The State of California Nurse Aide Model Curriculum requires reading in English, math calculations and memorization for manual skills.

Other Course Information

Student must meet all requirement deadlines given by Beatriz Trillas or student will be unable to continue in the course.

Student must pass all exam including Final Exam with 70% or better (letter grade of C) to continue with the course.

All Homework deadlines must be submitted on the deadline date.

The research three papers emailed to Beatriz Trillas: beatriz.trillas@imperial.edu and given hard copy to instructor in class. These will be due prior to clinical rotation.

Workbook and sentences given to instructor on deadline date. These are due towards end of the course submitted morning of deadline due date, see 'Student Daily Calendar'.

Student must submit \$120 money order or cashier's check (bank only) to Beatriz Trillas. If the student is to pay the fee to Regional Testing Center (RTC) for the exam fee on deadline and complete the RTC Registration form per deadline.

Please make sure ALL your ID cards and program forms requiring your name, date of birth and social security number MATCH or you will NOT be able to take the State of California Nurse Aide Examination as scheduled.

Student must be self-disciplined to read, complete homework, memorize, self-practice skills. The program requires 126 hours outside of class for the student to successfully pass the course and the State of California Nurse Aide Examination.

Student who are caught cheating in the class will be asked to leave the class and talk with the Student Affairs Director. The student will not be allowed back in class and must withdraw the course online themselves. Otherwise, the student will receive a letter grade of an 'F' at the end of the course.

Students are not to call the IVC Nursing office or email Beatriz or any other IVC nursing office staff or IVC staff at any other department for questions or concerns. The student is required to contact the instructor first by sending a text to the instructor with the student's name and reason for the text.

Student's not following this requirement will be sent to IVC Dean of Student Affairs.

Student for unforeseen reason such as 'positive covid' results, personal reasons, not pass the course exams or meeting other course requirements must withdraw from the course online. Otherwise, the student will receive a letter grade of an 'F' at the end of the course.

Student is not allowed to use cell phone in class and clinical rotation at any time. If student uses cell phone in class or clinical rotation the student will be asked to leave the class and will not be allowed to return to class or clinical rotation. This includes if a hospital administrator or administrative staff member informs me the student was seen using the cell phone in the hospital.

Student will not gossip about other students in class, hospital staff or anyone during classroom or clinical rotation. Student who is gossiping will be sent to Student Affairs Director and will not be allowed back in class and must withdraw from the course online or receive a letter grade of an 'F' at the end of the course.

IMPERIAL VALLEY COLLEGE

Student is responsible to continuously read their Canvas emails from instructor, IVC nursing office from Beatriz or Regional Testing Center (RTC).

Student is required to follow IVC policy, procedures, and Covid-19, IVC and healthcare agency guidelines.

Other Course Information – con.t

Covid-19: Clinical Site (Imperial Heights): (SUBJECT TO CHANGE)

Student must follow IVC Covid-19 requirements and healthcare facility requirements during clinical rotation. Otherwise, the students will be asked to leave class and class hour(s) credit will not be given. The student will need to drop the course online or receive a letter grade of an 'F' at the end of the course for fall 2023.

REGARDING: IVC CNA STUDENT: FALL 2023

Currently all students need to be fully vaccinated, including the booster.
