Language Learning Outcomes for French 100

There is a distinction between Performance and Proficiency in a language.

Performance is a level of mastery as demonstrated in a controlled situation, such as a semi-scripted conversation or an exam. Proficiency is the ability to use language in a spontaneous interaction and non-rehearsed context, and in a manner acceptable and appropriate to native speakers of the language.

The following Students Learning Outcomes are based on the American Council on the Teaching of Foreign Languages (ACTFL) Skill Level descriptions.

The student who completes this course with a B or better will be able to:

1. SPEAK at a performance level equal to Novice High. Begin to create with language using simple sentences. Attempt to express own meaning. Maintain simple conversations on familiar topics. Ask and answer most basic questions. In some contexts, language may still be mostly memorized words and phrases.

2. LISTEN at a performance level equal to Novice High. Understand words and phrases from questions, statements, high-frequency commands and formulaic expressions. Comprehend sentence-level speech in basic personal and social contexts where there is extralingual support.

3. READ at a performance level equal to Intermediate Low. Identify the main ideas of appropriate texts, when the topic is familiar. Infer meaning of unfamiliar words and phrases, though not all may be accurate.

4. WRITE at a performance level equal to Novice High. Begin to create with language using simple sentences. Attempt to express own meaning while focusing on successful task completion. In some contexts still uses memorized words and phrases. Vocabulary conveys basic meaning.

5. DEMONSTRATE CULTURAL KNOWLEDGE. Gain knowledge of and sensitivity to the political, historical, social, philosophical and economic underpinnings of the language's culture(s), including elements such as geography, history, literature and the arts, ethnicities, customs, philosophies and values.

6. PRACTICE CULTURAL SENSITIVITY. Use language to reflect authentic cultural practices and perspectives in a limited way. Begin to be aware of the value of the differences between U.S. culture and the language culture(s).

Course Policies

Attendance: First Day of Class A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See the General Catalog for details.

Attendance: Regular Attendance: Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.

Absences due to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as "excused" absences.

If you are absent on the day of the exam, you have 1 week to make up the exam. For example, if you are absent on Monday, the day of the exam, you will have to take the exam by Friday before next Monday's class. It is not possible to take the exam the following Monday as exams will be returned this day. It is your responsibility to schedule a time to take the exam prior to the last day.

If you have an unavoidable emergency, please communicate with the professor as soon as you are able. Face to face or via email are preferred methods of communication.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonable approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.
