Course Description

The standard course in freshman English. The course seeks to improve the student's ability to understand serious and complex prose and to improve the student's ability to write an exposition that is thoughtful and clear, including the production of a well-documented research paper. Limitation on Enrollment: Course not open to students with a C or higher in English 105. (C-ID: ENGL 100) (CSU/UC)

Student Learning Outcomes

1. Compose college-level essays that contain clear thesis statements, effective support, and unified organization. (ILO1, ILO2, ILO4)
2. Synthesize information from multiple sources to produce a research paper that is formatted and documented according to MLA guidelines. (ILO1, ILO2, ILO4, ILO5)
3. Demonstrate an ability to comprehend and interpret a variety of college-level texts, including complex arguments and at least one full-length novel, play, or non-fiction book, without relying on outside sources for assistance (ILO1, ILO2, ILO3, ILO4)]

Course Objectives

Upon satisfactory completion of the course, students will be able to:

1. Write multiple essays—including one research paper and one final exam—that, together, add up to 6,000 words of formal writing
2. Demonstrate a command of the writing process, which may include pre-writing, drafting, revising, self-editing, peer group editing, and proofreading
3. Compose error-free essays that avoid sentence-level and grammar problems
4. Compose unified essays that include support for the thesis statement, clear development, and effective transitions
5. Demonstrate a command of writing patterns by effectively integrating various rhetorical modes, such as compare/contrast, definition, cause/effect, and argumentation together to produce sophisticated, college-level essays as appropriate.

6. Demonstrate an ability to adapt writing strategies to the requirements of the writing situation (e.g. in-class writing, research writing, reflective writing) or to tailor a written assignment to address specific audiences (both general and academic)
7. Demonstrate a thorough understanding of research strategies and library skills (including electronic databases) to identify and evaluate resources for a research paper
8. Synthesize information from multiple sources to produce a research paper that is formatted and documented according to MLA guidelines
9. Demonstrate a command of rules regarding plagiarism and academic ethics
10. Read actively, using metacognitive strategies to monitor comprehension, build vocabulary, and improve analysis of college-level texts
11. Analyze the rhetorical context when reading by identifying genre, medium, purpose, audience and tone
12. Analyze and evaluate the strategies an author uses to make and support a claim, including the use of fallacies
13. Synthesize knowledge by relating texts to personal experience, to past and present events, and to other texts.

Course Requirements and Instructional Methods

Out-of-Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over a semester. WASC has adopted a similar requirement. English 204 is a 4-unit college-level English class. This means students should expect to spend four hours a week in our Canvas shell and eight hours a week outside of the Canvas shell reading, studying, researching, and writing.

Course Grading Based on Course Objectives

Grade Scale by %

A: 90-100 — **B:** 80-89 — **C:** 70-79 — **D:** 60-69 — **F:** 0-59

(Note: You never have to add up points; Canvas keeps track of all points for you automatically.

Grading rubrics for major assignments like essays are posted on Canvas).

Deadlines and late work: Check upcoming deadlines regularly. All deadlines are posted on the syllabus and Canvas. Any deadlines that change will be updated. **A short grace period can be requested if I am contacted in advance of the due date with a reasonable explanation for the request. ALL late work will be docked points.** If not contacted in advance of the due date about work arriving late, don't expect the assignment to be accepted.

Assignments

- **Paper #1 (Narrative Essay)** 100 pts
- **Paper #2 (Definition Essay)** 100 pts
- **Paper #3 (Research Paper)** 100 pts
- Discussion Boards (DB): approximately 3-5 (50 points each)
- Close Readings 3 (25 points)
- Quizzes: Approx: 4
- Additional assignments: Close Readings, Essay Outlines + Rough Drafts. — Expect other assignments to be for fewer points than those associated with the essays and materials, but they are important nonetheless as they will reinforce important concepts and prepare you to write your essays.

Academic Honesty (Artificial Intelligence -AI)

IVC values critical thinking and communication skills and considers academic integrity essential to learning. Using AI tools as a replacement for your own thinking, writing, or quantitative reasoning goes against both our mission and academic honesty policy and will be considered academic dishonesty, or plagiarism unless you have been instructed to do so by your instructor. In case of any uncertainty regarding the ethical use of AI tools, students are encouraged to reach out to their instructors for clarification.

Course Policies

ATTENDANCE & PARTICIPATION:

- We meet face-to-face every week.
- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students in person. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped.
- Additionally, in this course, logging in to Canvas regularly and your class participation is how I will gauge your "attendance." Online attendance is about participation and engagement with the course activities and assignments.

Going beyond logging onto Canvas includes:

- Submitting an assignment or exam
- Taking a class quiz
- Creating a discussion post
- If, after reviewing the syllabus and orientation unit, you feel this is not the right course for you, please let me know ASAP so that you can be dropped from the course and another student can be

added in your place. Students who miss more than two graded assignments (lessons, discussions, drafts, peer reviews, or conferences) **may** be dropped from the course.

- If you are struggling, experiencing access issues, or are seriously ill, please contact me immediately so we can develop a success plan together.
