Course Requirements and Instructional Methods

This is a **fully in-person** course delivered in a short-term format. You will meet four times a week face-to-face. The rest of your work will be completed online in Canvas and on Elli and/or ESLVideo.

It is VERY important for you to make sure you do your work each week! Because of the flexibility to complete your work outside of class, deadlines WILL NOT be extended.

Elli. Elli is an online platform we will be using in our class. It takes the place of a textbook. Doing exercises on Elli is **not optional**.

Updated 6/2023

Manage your time. Do not try to complete your assignments in one day. It will be too much for you to do and too much for your brain to handle. If you do not do your work, or you do not submit your work when it is due, you will not pass the class.

Communicate in English as much as possible. This course is designed to help you improve your speaking and listening skills in English. If you do not practice using English or do not use English to communicate in class with your teacher and your classmate, your progress will be slower.

You may be expected to speak in English in the following contexts:

- (1) with a partner;
- (2) in a small group;
- (3) in a formal presentation in front of the class;
- (4) with your teacher;
- (5) in recorded, online assignments;
- (6) with strangers in out-of-class assignments.

You will also listen to audio clips and watch videos and will be expected to discuss and write about the content in English. We will do a variety of activities in class. Sometimes there will be lecture and you will need to take notes (and ask questions!). Sometimes you will do individual writings and exercises, and sometimes you will do pair/group writings and exercises. You will also take tests throughout the term.

Success: Acquiring another language requires focused effort. Sitting in class is simply not sufficient for you to succeed. You must study, speak, read, and listen to English as much as you possibly can outside of class. College guidelines suggest that you study two hours for every hour of class. Since this is a five-hour class, this would mean that you are expected to study or participate in some other learning activity for an additional **ten** hours every week.'

Instructional Methodology: Demonstration, Discussion Group Activity, Individual Assistance Lecture, Distance Learning, Audio/Visual, Computer Assisted Instruction.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Since this is an intensive course, you should expect to work at least 6-10 hours a week on Canvas, Ellii and Chattybots.

Sometimes I might ask you to use CHAT GPT for an assignment.

If I ask you to use CHAT GPT, it's ok. However, using Chat GPT or other AI software to write your paper is a form of academic *dishonesty* and is not allowed. The work you turn in for our class must be your work. If I find you turn in work you did not write yourself, you will get a ZERO (0) for the paper or I may ask you to write the paper again.

These are examples of AI which are NOT allowed:

Para esta clase:

A veces, puedo pedirte que uses CHAT GPT para una tarea.

Si te pido que uses CHAT GPT, esta; bien. Sin embargo, usar Chat GPT u otro software de IA para escribir tu trabajo es una forma de deshonestidad academica y no esta permitido. El trabajo que entregues para nuestra clase debe ser tu trabajo.
