way. By the time she told me about it, everything had been decided. She didn't even ask if I agreed.

“We're both going,” she said.

She went on about all the opportunities, the dollars, the chance to earn a good living, live a better life, get away from this shithole.

“In this place we haven't done anything, we aren't doing anything, and we aren't ever going to do anything.”

To finally have a place for the two of us, where we could get ahead in life and even have children, she continued. While she was saying all this, her eyes shone and she looked so sincere I actually believed her; there was so much determination in those eyes, they even scared me.

**The Chapters are SHORT - The Quizzes are EAZY - The Book is FUN - DON'T BLOW IT - Don't be one of those guys that tell me they didn't purchase the book!**

### Course Requirements and Instructional Methods

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

**Course Grading Based on Course Objectives**

**COMMUNICATION – ANNOUNCEMENTS – ASSIGNMENTS – THROUGH CANVAS:**

I have carefully laid out our semester on Canvas Modules. All assignments will be assigned in Canvas and will be submitted in Canvas. Please note that all assignments have due dates. Late work will be subject to penalty. You must check Canvas regularly to find out what the homework is and to read announcements. I recommend that you check your Canvas on a daily basis.

JAY'S NOTE: As your instructor, I RESERVE THE RIGHT to ADD and SUBTRACT and CHANGE assignments depending on STUDENT NEEDS and TIME CONSTRAINTS – Please check your Canvas Announcements – FREQUENTLY - for the most recent updates.

**\* Deadlines are FIRM - If you don't finish on time, I encourage you to submit work LATE with appropriate PENALTY.**

**JAY'S COMMUNITY PROFILE – SEMESTER RESEARCH PAPER PROJECT:**

We will develop extensive Community Profiles with great purpose and focus. I ask my students the following:

- **To search The Valley for someone with an interesting story to tell**– their profile could come right from their past, present, family, job, school, reading.
- **To think about how their subject would represent a larger idea.**
- **To combine cutting edge academic research with personal interview.**

**Most of my students don't have to look very far to find an engaging story.** Many of them stay within their own families to document deeply personal observations of a life being lived. In submitting to *Jay's Community Profiles*, they open up their lives to their classmates and let the world into their writing. Below, I provide a list of randomly-chosen examples of themes and topics:

- **Immigration struggles and separated families.**
- **Parenting special-needs children.**
- **The stigma of becoming a Single Teen Parent.**

**I feel the essays are valuable.** My students share a sense of empathy and compassion for their subject matter. In these times of isolation and despair, the writing brings us closer together.

**JAY'S TIP:** We start the research paper on the FIRST DAY. We end the research paper on the LAST DAY. Your work will be developed and submitted and graded on a weekly basis. This project will take us EIGHT WEEKS. That's because we'll do it ONE-STEP-at-a-TIME.

- Of course, your work on your community profile will constitute the MAJOR part of your grade.

**\* For MAXIMUM Writing Performance** - We will work together on specific components of your Research Paper on a Daily Basis: Pre-Writing Activities - Research on Campus Data Bases - Summary of Research Article MLA Documentation - Thesis and Topic Sentences - Introduction of Quotations - Definition of Key Terms - Character Analysis - Introductory Paragraph - Conclusion - Visual Analysis - etc.

\* At the end of EIGHT weeks - you will have 5-7 page Critical-Thinking Research Paper ready to PUBLISH.

\* **Often you will be graded TWICE** - Once for in-class performance - Once for final product

\* Point Values will Vary!

**Jay's Tip: MLA DOCUMENTATION will be CRITICAL to your PERFORMANCE.**

## Extra Curricular - Grade-Boosting Opportunities:

Recently, I have begun to create Facebook Group Pages for each of my classes. Your English 110 - Fall Semester 2023 Page will be called "Find Your Voice."

In this class, I encourage you to write and share ideas with confidence. Learning is a lot more FUN that way.

**I can't see very many advantages to learning in ISOLATION. I'm hoping whatever we share on Facebook will bring us closer together.**

Below I list a few important Facebook benefits for your participation in our group:

\* **Provide direct communication with instructors.** Instructors and students can contact each other through Facebook, providing an opportunity for better sharing of information and [promoting better working relationships](#).

- \* **Allows shy students a way to communicate.** [Shy students](#) who may not want to approach their teacher after class or during office hours can use Facebook to communicate.
- \* **Facilitate classmate connections.** When students get to know each other more intimately, they become more involved in the learning experience. This is helpful in both large classes that wouldn't normally promote such intimacy and in smaller settings that regularly depend on that connection.
- \* **Make announcements.** Instructors can send out reminders about upcoming tests, upcoming due dates, or any classroom news.

### Jay's Tips:

\* **Please send me a membership request - You can find us by typing this into your Facebook Search Box: IVC English 110 - FIND YOUR VOICE - Facebook Group Page**

\* Here is the URL: <https://www.facebook.com/groups/811538576048785>

\* Keep an Eye Open for EXTRA-CREDIT OPPORTUNITIES - Each week, I will try to provide a post that invites your response in the "comment" section.

\* Most students are already users of Facebook, so implementing it into class provides a comfortable way for students to participate in class - DON'T HESITATE TO REACH OUT TO YOUR CLASSMATES! This will be your page as much as mine!

## Attendance

### Jay's Canvas Attendance:

- Canvas Roll Call will be conducted within FIRST FIFTEEN MINUTES OF CLASS.
- All absences, tardies, etc, will be recorded and reflected in Canvas course grade.
- Early unexcused student exits will also be recorded.

### IVC General Rules:

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.

- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

### Classroom Etiquette

Jay's Golden Rule:

- Bring your required textbooks to every class – Jay will offer bonus points each week for students who arrive fully prepared.
- Please keep your eye posted for announcements regarding printed materials - Students will be required to share physical components – PRINTED PAGES - of their essays in classroom writers workshops.

**IVC General Rules:**

- **Electronic Devices:** Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor.
- **Food and Drink** are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- **Disruptive Students:** Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the [General Catalog](#).
- **Children in the classroom:** Due to college rules and state laws, only students enrolled in the class may attend; children are not allowed.

### Online Netiquette

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)].

### Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

- The Student Equity Program strives to improve Imperial Valley College's success outcomes, particularly for students who have been historically underrepresented and underserved. The

college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students' access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.

- The Student Equity Program also houses IVC's Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.

### Anticipated Class Schedule/Calendar

#### Final Grade Determination:

To achieve a passing grade, students must write with clarity and purpose on the final essay exam. Here students are afforded the opportunity to present the writing and critical thinking techniques taught throughout the semester. Students who lack effective sentence and paragraph development skills will fail the exam, and thus, the course.
