Course Description

The study of watercolor painting with emphasis upon color, composition, and pictorial expression. Exploration of various techniques employing the medium of watercolor. Additional materials fee applies. (CSU/UC)

Course Prerequisite(s) and/or Corequisite(s)

None.

Student Learning Outcomes

Upon course completion, the successful student will have acquired new skills, knowledge, and or attitudes as demonstrated by being able to:

1. Develop a portfolio of watercolor paintings.
2. Present, discuss and critique watercolor paintings in a coherent manner.
3. Describe a famous watercolor painting, analyze it, and interpret it in a 600-900 word essay.

Course Objectives

Upon satisfactory completion of the course, students will be able to:

1. Recognize contemporary and historic usage of watercolor.
2. Identify the materials and equipment, boards, papers, brushes, and pigments necessary for watercolor painting.
3. Experiment with color properties, color theory, hues, values, saturation, intensities, as well as transparency and opacity.
4. Experiment with fluidity of the watercolor medium, wash control, wash composition, and the application of glazes using a variety of subject matter such as still life, landscape, figurative, architectural, and imaginative.
5. Develop watercolor compositions employing balance, harmony, value contrasts.
6. Employ complementary, split complementary, triadic, and analogous color harmonies in completed watercolor assignments.
7. Interpret the use of other media in conjunction with watercolors - collage, ink, pastels, Conte crayons, and a variety of papers.
8. Present several final compositions using individual techniques, properly matted for a final critique.

Course Requirements and Instructional Methods

- A student who fails to attend the first meeting of a class will be dropped by the instructor as of the first official meeting of that class. **If you miss the first day of class, please contact the instructor. That will serve as an official engagement with the class.** If you have been dropped and wish for readmission, your status will be the same as that of any other student who desires to add a class. **It is the student's responsibility to drop or officially withdraw from the class.** See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped.
- **If you have an emergency, illness or some other problem which prevents you from attending, please contact your instructor so I can work with you.**
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

INSTRUCTIONAL METHODS:

• Audio Visual • Computer Assisted • Lecture / Instruction • Video Demonstration • Discussion • Group Activity • Individual Assistance.

CLASS PROCEDURE:

- 1-The teacher will present content and activities to the class. Students will listen to lectures and instructions, work on class activities and projects.
- 2-The teacher will present to the class a project written description, each project will be posted on Canvas.
- 3-The student will draw sketches containing the conceptual idea of the project.
- 4-The projects should be completed and presented punctually to the class on the specified date, All sketches and references should be provided to the teacher. All sketches and references count for the grade.
- 5-Each project will be presented physically at class and correctly uploaded to Canvas and will be discussed by the author, the class and teacher in a critique.
- 6-Presentation counts as part of the grade. The author should talk about his/her solutions, ideas, creation process, experiences etc.
- 7-Grades will be given by the teacher on each project.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.
