Attendance

A student who fails to attend the first meeting of a class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.

Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped.

Students will be dropped on their 4th unexcused absence.

Arriving late to class or leaving before dismissal will count as ½ an absence.

Arriving 20+ minutes late to class will count as an absence.

Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as excused absences.
