

Basic Course Information

Semester:	FA25 Latestart	Instructor Name:	Jill Tucker
Course Title & #:	HE 102 Health Education	Email:	Jill.tucker@imperial.edu
CRN #:	11140,	Webpage (optional):	
Classroom:	asynchronous	Office #:	708
Class Dates:	Oct. 6 – Dec. 5, 2025	Office Hours:	https://imperial-edu.zoom.us/j/83705929988MW 12:30pm – 1:00pm
Class Days:	asynchronous	Office Phone #:	760-355-6326
Class Times:	asynchronous	Emergency Contact:	760-355-6325
Units:	3	Class Format/Modality:	Online asynchronous

Course Description

This course studies aspects of physical, intellectual, social, emotional, spiritual, and environmental health. Emphasis is placed on the development of attitudes and practices of a preventive lifestyle for healthy living and optimal wellness. Specific instructional areas include chronic diseases, physical activity, nutrition, weight management, birth control methods, human sexuality, alcohol, tobacco, illicit drug abuse, stress, and factors that contribute to wellness and longevity. Experience in personal health assessment and the changing of health behaviors is also emphasized. This course satisfies the State of California Health Education requirement for a teaching credential. (C-ID PHS 100) (CSU/UC)

Course Prerequisite(s) and/or Corequisite(s)

None

Student Learning Outcomes

Upon course completion, the successful student will have acquired new skills, knowledge, and or attitudes as demonstrated by being able to: 1. Identify basic health terms. 2. Increase knowledge of how to properly execute a successful healthy behavior change.

Course Objectives

MEASURABLE COURSE OBJECTIVES: Upon satisfactory completion of the course, students will be able to: 1. Describe the six dimensions of wellness (physical, emotional intellectual, social, spiritual, and environmental) and their interrelationship. 2. Distinguish the difference between personal health and public health. 3. Apply the dietary recommendations to diet planning throughout the lifecycle and in the promotion of fitness/physical activity, weight management, and disease prevention. 4. Identify fitness principles and exercise program components to improve cardio-respiratory endurance, muscular strength and endurance, flexibility, and body composition. 5. Describe the role of stress and mental health in health promotion and disease prevention. 6. Recognize the stimulus leading to violence and be able to minimize its occurrence. 7. Describe the role of substance use and abuse in our society and its impact on the

individual, the community, the economy and the social structure. 8. Analyze personal and family health as it relates to human sexuality, relationships, sexual orientation, and parenthood. 9. Identify and discuss specific preventative measures to reduce the risk of various diseases and infections, unintended pregnancies, violence, and addiction. 10. Examine the physiological, emotional, psychological and sexual aspects of aging. 11. Describe the inter-relationship between human beings and their environment. 12. Identify common practices and attitudes that contribute to accidents on a personal and community level and strategies that would reduce their occurrence. 13. Analyze the health care delivery system, including inequities and discrepancies. 14. Interpret and evaluate health and medical information from general and subject specific library and web sources. 15. Communicate orally and in writing in the scientific language of the discipline. 16. Analyze his/her lifestyle from a wellness perspective. In response, areas of personal behavior change will be identified and ideally, health-enhancing behaviors adopted.

Course Grading Based on Course Objectives

Letter grade only according to completion of assignments. 100-90% A 89-80% B 79-70% C 69-60% D 59-0 F

Academic Honesty (Artificial Intelligence -AI)

IVC values critical thinking and communication skills and considers academic integrity essential to learning. Using AI tools as a replacement for your own thinking, writing, or quantitative reasoning goes against both our mission and academic honesty policy and will be considered academic dishonesty, or plagiarism unless you have been instructed to do so by your instructor. In case of any uncertainty regarding the ethical use of AI tools, students are encouraged to reach out to their instructors for clarification.

Accessibility Statement

Imperial Valley College is committed to providing an accessible learning experience for all students, regardless of course modality. Every effort has been made to ensure that this course complies with all state and federal accessibility regulations, including Section 508 of the Rehabilitation Act, the Americans with Disabilities Act (ADA), and Title 5 of the California Code of Regulations. However, if you encounter any content that is not accessible, please contact your

instructor or the area dean for assistance. If you have specific accommodations through **DSPS**, contact them for additional assistance.

We are here to support you and ensure that you have equal access to all course materials.

Course Policies
