Course Requirements and Instructional Methods

You will meet once a week face-to-face. The rest of your work will be completed online on Canvas.

It is VERY important for you to make sure you do your work each week! Because of the flexibility to complete your work outside of class, deadlines WILL NOT be extended.

Manage your time. Do not try to complete your assignments in one day. It will be too much for you to do. “Online” does not mean “easy”. If you do not do your work, or you do not submit your work when it is due, you will not pass the class.

Communicate in English in class. This course is designed to help you improve your speaking and listening skills in English. If you do not practice using English or do not use English to communicate in class with your teacher and your classmates, your progress will be slower.

You may be expected to speak in English in the following contexts:

- (1) with a partner.
- (2) in a small group.
- (3) in a formal presentation in front of the class.
- (4) with your teacher.
- (5) in recorded, online assignments.
- (6) with strangers in out-of-class assignments.

You will also listen to audio clips and watch videos and will be expected to discuss and write about the content in English. We will do a variety of activities in class. Sometimes there will be a lecture and you will need to take notes (and ask questions!). Sometimes you will do individual writings and exercises, and sometimes you will do pair/group writings and exercises. You will also take tests throughout the term.

Success: Acquiring another language requires focused effort. Sitting in class is simply not sufficient for you to succeed. You must study, speak, read, and listen to English as much as you possibly can outside of class. College guidelines suggest that you study two hours for every hour of class. Since this is a five-hour class, this would mean that you are expected to study or participate in some other learning activity for an additional ten hours every week.'

Instructional Methodology: Demonstration, Discussion Group Activity, Individual Assistance Lecture, Distance Learning, Audio/Visual, Computer Assisted Instruction.

Out-of-Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the semester. WASC has adopted a similar requirement.

Since this is an intensive course, you should expect to work at least 6-10 hours a week on Canvas and Ellii.com.com exercises.
