Anticipated Class Schedule/Calendar

See Pages 5 – 7 for Course Calendar...

To maintain the integrity of this course, I reserve the right to make changes as I deem necessary. Students will be informed of any changes via Announcements and/or e-mail on Canvas. As we move through the course, it is your responsibility to read the areas of the textbook and/or the readings on Canvas that correspond to the week's themes and subject areas in order to reinforce what you see and discuss in class. There is a lot of material to cover, set aside a

dedicated time to read for this class each week. This approach should hopefully be less overwhelming than attempting to read every detail of the survey textbook.
