It is the first semester course in a four-semester course sequence leading to an Associate of Arts degree in French. No previous knowledge of French is required. Students will begin to achieve proficiency in listening, speaking, reading and writing. Structure, pronunciation, grammar and syntax of French will be studied in the context of real life situations. Teaching methods include videos, lectures, and practice and discussion groups. Active participation in French is required of all students. Translation will not be used. Students should plan to dedicate two hours to study outside of class for each class session.

IV. SELECTED LEARNING OUTCOMES

1. Demonstrate spoken French by responding in complete sentences to questions about everyday activities and occurrences.

2. Comprehend, organize and effectively communicate in level-appropriate spoken French information about a simple topic related to French/francophone culture.

3. Upon reading a text based on an aspect of French/francophone culture, with the aid of a dictionary, effectively demonstrate comprehension by answering questions related to the text.

4. Comprehend, organize and effectively communicate personal information in French in a written essay (two-paragraphs) in which future plans are discussed.

5. Upon listening to a short text based on an aspect of French/francophone culture, effectively communicate information orally in French in answer to questions on the text.

V. ASSESSMENT: The course grade is calculated using the following percentages:

Supersite homework 20%: Typically, a homework assignment will include a study component

("Étudiez") from the textbook and a written assignment ("Écrivez") from the "Promenades Supersite". The "Supersite" is a website that includes interactive audio-video materials and exercises assigned as written homework. Homework assignments from the "Supersite" are to be submitted by 8:59 p. m. on the date due. It is the students' responsibility to check the "Supersite" for assignments on a daily basis. To log on to the "Promenades Supersite", students need an access code. The access code is available with the purchase of a new textbook. If you purchase a used textbook, buy the access code at www.vhldirect.com. Once you have an access code, go to www.promenades.vhlcentral.com/ to log on to the "Supersite". The first time you log on, make sure to enroll in French 100, section 3. Internet access, headphones and microphone are required to do the exercises. The language lab is equipped with computers and headphones. It is located in the 2600 building and can be reached by phone at 760-355-6292.

Compositions and other homework 10% : There is usually one composition per lesson.
