**Course Requirements and Instructional Methods**

- In-Class Debates:** Parliamentary style debates. These debates involve topic announcement, prep time, and a full debate. Times will increase as the semester continues. You will debate with a variety of partners. You will also learn to judge debates and will judge throughout the semester.
- In-Class Activities:** In-Class Activities: These activities are done in class and help teach the basics of argument construction and debate. These activities CANNOT be made up outside of the scheduled class time.
- Exams:** The exams are broken into two parts. The first exam is on the textbook and basic argument construction. The second exam focuses on Parliamentary Debate. The exams will be a mix of fill-in-the-blank, short answer, essay, and application questions. The exams cover the required readings and in-class lectures.
- Misc. Homework:** Instructions given in class
- Reader's Notes:** 1 page of handwritten notes per chapter in the textbook. These notes are due at the BEGINNING of class on the day assigned. You should identify key terms, write any questions, connect to personal understanding, etc.

**“Assignments:** It is your responsibility to complete all assignments in a timely matter and submit them via the appropriate channels (in person or electronically, depending on the assignment). In general, NO late work will be accepted, even with documentation. All assignments need to be typed, unless otherwise specified,” SW.

**“Out of Class Assignments:** The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement,” IVC

### Attendance

- “A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student’s status will be the same as that of any other student who desires to add a class. It is the student’s responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences,” IVC
- “Documentation MUST be provided and arrangements made ahead of time. An excused absence does NOT excuse the work done and activities missed,” SW

“This is a skills based class and EVERY class is crucial. In class activities and assignments CANNOT be made up. On-time attendance is necessary for the successful completion of the class. If you must miss class for a verifiable emergency, please secure documentation. I am only teaching ONE speech 180 class this semester. AGAIN, please remember that in-class activities and debates cannot be made up. Do not miss my class.\* SW

### Classroom Etiquette

**“Timeliness: Arrive in enough time to be settled, signed in, and ready to go when class begins. Being late is rude, disruptive, and anxiety-inducing for many. Additionally, missing class hurts you and your peers. Be here, be ready, let's learn and create a positive community.**

**Language: In an effort to create and maintain a critical, comfortable and equitable environment for everyone, any language that is racist, sexist, homophobic, or that discriminates against any person or group will be discussed in the classroom. Any such language in any speech, assignment, or classroom discussion may result in a failing grade for that speech or assignment and the occurrence will be documented in case any further disciplinary actions are warranted,” SW**

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class unless otherwise directed by the instructor.
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog.
- Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children,” IVC

### Academic Honesty

- “Plagiarism is to take and present as one’s own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to correctly ‘cite a source’, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment or using or attempting to use materials, or assisting others in using materials, or assisting others in using materials, which are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General School Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment ;(c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment, (e) use of a commercial term paper service,” IVC
