Grading

Students' grades will be determined on a point basis. Therefore, it is very important to turn in every assignment and take every quiz or exam. All writing assignments will be graded as follows: 20-18 points= A; 17-16 points= B; 15-14 points= C; 13-12 points= D. If an assignment receives a non-passing grade, students may rewrite it until it receives a passing grade of "C" only. Students must remember to rewrite any non-passing assignments.

Attendance and Homework Policies

You must attend class regularly and on time in order to learn and be successful. I am very flexible with tardies and absences, so I will not drop you due to a specific number of absences or tardies. However, if you disappear for more than a week without communicating with me, I may drop you. In order to be successful in class, you should not be absent more than two times in the semester. If you are absent, it is your responsibility to find out what you missed during your absence.

Homework assignments can be turned in late but only one class session after the original due date. I will not accept late homework at the very end of or after the semester, so

remember that you have one class after the due date of an assignment to turn it in. Late assignments cannot receive an “A” grade. They can only receive a “B” or “C” grade. All rewrites of first draft paragraphs must be turned in no later than one class session after the first draft’s original due date. You may make up only one quiz or exam, so try not to be absent on the day of a quiz or exam, and you must make up a quiz or exam within a week of your absence. You can take a quiz or exam early if you plan it with me.

Office Appointment Policy

If you make an appointment to come to my office and for some reason cannot make it to the appointment, you must either email, call, or speak to me about the cancellation before the appointment. If you just don’t show up, I will not make another appointment with you.

Classroom Behavior

In order for our class to be an excellent learning environment, please remember the following:

1. Come to class early or on time. If you come late, enter quietly and find a place to sit down.
2. Do not sharpen your pencil after class has begun.
3. Turn off your cell phone before coming into class. Tell your friends and family not to call you during class. If I see any form of technology on your desk or in your hands during class, I will ask you to put it away the first time. The second time, I will take it from you for that day. The third time, you will be asked to leave class for the day.
4. Do not talk unnecessarily in class. You may ask me questions when you don’t understand something, but do not socialize during class.
5. Do not leave the classroom unless it is necessary. It is very distracting when students leave the classroom repeatedly.
6. Do not bring food into the classroom.
7. Remember that it is my responsibility to teach you, and it is your responsibility to learn, Try not to have behavior, such as leaving a cell phone on your desk because it will distract you.
8. If you do not remember these rules, I will ask the entire class to take out this syllabus and go over them in order to remind you.
