Course Description

The course is designed to assist students in learning how to reach their educational and life planning goals. Topics covered will include orientation to Imperial Valley College, study skills and personal adjustments to college life. Strategies covered will include skills such as creative goal setting, note-taking, listening, time-management, learning styles, test taking, library and financial resources and educational program planning. Course is recommended for new and continuing students.

Student Learning Outcomes: Students will:

- Identify ten campus resources and be able to explain what resources they find are important for their personal college success.
- Identify three study tips and three ways to take notes and state how improving these techniques are important for student college success.
- Identify what is their short term/long term academic goal(s).

Course Requirements

- **Attendance/Participation**
Attendance is necessary for participation. **You are responsible for dropping class by deadline (July 15).** Leaving class early will result in 1 absence. Class will begin promptly, Please be on time. **(3 tardy = 1 absence) (4 unexcused absences may result being dropped from class)**
- **In Class Assignments & Homework**
In & out of class assignments will deal with Journals, Critical Thinking and Case Studies. Writing Assignments will be graded on content and not on grammar. However, grammar and punctuation will be corrected. **Homework assignment will be due at the beginning of the following class (NO LATE ASSIGNMENTS! (Unless you have mitigating circumstances).**
- **Midterm Review & Final**
There will be a midterm and final exam. If you attend every class meeting, participate in discussions, and complete all assignments you will be ready to take both exams.
