### **Course Requirements and Instructional Methods**

*[Required Information: Provide detailed information related to types of class activities, assignments, tests, homework, etc. Online and Hybrid courses must demonstrate compliance with the IVC [Regular and Effective Contact Policy for Distance Education](#). ]*

Over the course of the semester, you will have six writing assignments including the final exam paragraph. You will also have four to five quizzes and a sentence combining section of the final examination. Your homework assignments will be related to your two textbooks and various handouts and handout activities given in class.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

### **Course Grading Based on Course Objectives**

*[Required Information: Provide detailed information related to grading practices and grading scale, including values and totals. Consider adding final grade calculation, rubrics, late assignment policy, and other grading practices.]*

Students' grades will be determined on a point basis. Therefore, it is very important to turn in all assignments, take every quiz, and complete the final exam. All writing assignments will be graded as follows: 20-18 points=A; 17-16 points=B; 15-14 points=C' 13-12 points=D. If an assignment receives a non-passing grade, students may rewrite it until it receives a passing grade of "C" only. Students must remember to rewrite any non-passing assignments. Homework assignments can be turned in late but only one class session after the original due date. Late assignments cannot receive an "A" grade. They can only receive a "B" or "C" grade. All rewrites of first draft paragraphs must be turned in no later than one class session after the first draft's original due date. You may make up only one quiz, and you must make up a quiz within a week of your absence. You can take a quiz early if you plan it with me. Class

participation will also be part of your grade. If you are late or leave the class early frequently, take longer than necessary breaks, or leave the classroom at any time for long periods of time, it will affect your class participation grade.

## Attendance

**[Required Information:** *The below information is the IVC attendance policy. Use this information in addition to any specific attendance policies you have for your course.]*

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.
- I do not apply tardies to my drop policy. If you are absent, it is your responsibility to find out what you missed during class.

If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.
